

## Reagan Library Topic Guide – AWACS (Airborne Warning and Control Systems)

Reagan Library archival staff creates topic guides from textual material currently available for research use. Material cited in the topic guides come mostly from these collections:

### [White House Staff and Office Collections](#)

White House Office of Records Management (WHORM) [Subject Files](#)

White House Office of Records Management (WHORM) [Alphabetical Files](#).

The folders and case files listed on these topic guides may still have withdrawn material due to Freedom of Information Act (FOIA) restrictions. Most frequently withdrawn material includes national security classified material, personal privacy issues, protection of the President, etc.
