MEMORANDUM

FOR: William P. Clark, Jr.
Assistant to the President
for National Security Affairs

FROM: A. Alan Hill *AH*
Chairman

The General Counsel of CEQ acts as project leader of Project 02.11-11, Legal and Administrative Measures, under the US-USSR Environmental Agreement. Under the project the participants hold periodic meetings to discuss legal issues of mutual interest in the environmental area. The last meeting took place in December, 1980, in the U.S. Approximately a year ago the Soviets indicated an interest in receiving an American delegation in September, 1982. The U.S. Executive Secretary for the overall agreement has recently inquired of the Soviet side whether they continue to have an interest in receiving a delegation.

Pending a response to that inquiry, I would appreciate your views as to whether CEQ's participation as project leader is appropriate.

If you need more information on the project please contact Nancy Nord (x5754) on my staff.
