Gentlemen:

Your infamous, undignified and demagogic performance in your attempt to discredit Justice Rehnquist is abhorrent and disgusting to me and millions of other Americans.

You have disgraced the institution of the Senate and have horrified us all.

In your attempt to defame Justice Rehnquist you have not only unjustly impugned his character but you caused irreparable damage to the public image of the Supreme Court which Justice Rehnquist has so ably represented for the past fifteen years.

You may be assured that I will do everything in my power to make certain that America will not forget your dastardly and revolting performance.

Shame on you!

Dear Mr. President:

I congratulate you on your appointment of Judge Antonin Scalia to the Supreme Court of the United States. Americans of Italian descent in particular, and indeed fair-minded Americans everywhere, applaud this first appointment of an American of Italian descent to our nation's highest judicial tribunal.

The Italo-American community for many years has attempted to convince past Presidents of these United States that simple justice and equity cried out for an appointment of an American of Italian descent to the Supreme Court of the United States. Our pleas were made to Presidents Franklin Delano Roosevelt, Truman, Eisenhower, Kennedy, Johnson, Nixon, Ford and yourself. They all listened but obviously only you heard.

Since you best exemplify the Italian-American tradition of love of family, love of God, respect for authority and strong belief in the work ethic, the substantial support you received from Americans of Italian descent in 1980 and again in 1984 was to be expected.

We are grateful that after 197 years of the court's history a very, very qualified American of Italian descent will very shortly be an active participant in setting forth the law of the land.

With highest regard and a fervent prayer for your continued success and good health, I am,

Most respectfully,

Judge Scalia's outstanding scholarship at

his distinguished tenure as Professor of Law, and
his brilliant record as a Federal Appeals Court

ently qualified to serve on the United States

SIPAC is a non-partisan political organiza-

thirty million or more Italian-Americans nation-
wide, who are aware of the fact that they are
grossly underrepresented in high level positions
in the federal government.

Among this large percentage of Americans is
a wealth of intelligence, integrity, creativity
and courage surpassed by few if any.

The nomination of Judge Scalia is a signifi-

of Americans of Italian heritage.

Honorable Ronald Reagan
President of the United States
White House
Washington, D.C.

Dear President Reagan:

On behalf of the largest Italian-American service organization in the United States, and, speaking for all the citizens of America of Italian heritage to whom I have talked concerning your appointment of Antonin Scalia to the United States Supreme Court, I express our deepest thanks for your courage and understanding in appointing Mr. Scalia as the first Italian-American to the Supreme Court, our symbol of freedom, liberty and justice.

It is heart-warming to have a President who sees and realizes that contributions to this great country of ours come from all races, nationalities, sexes, colors, creeds, and religious beliefs. Antonin Scalia will make you proud of your choice and will help make America even greater.

In the true American spirit you have exhibited as President of the United States, balancing the diversity of our people in America while retaining high quality, the appointment of Antonin Scalia to the Supreme Court will be long remembered as an act of fairness, equality, philosophical balance on the Supreme Court, and you should be credited with the foresight you have in America's finally realizing that intelligence, justice, humaneness, and knowledge of our laws exist in the Italian community just as they exist in other heritages which make up America.

The Italian community, comprising some of the most patriotic Americans in our country, is very proud of you and your appointment of Mr. Scalia. This historical moment deserves our greatest thanks to you -- which we bestow upon you now.

Thank you, Mr. President.

Sincerely yours,

Dear President Reagan:

I would like to offer my most sincere congratulations upon the two important decisions you have recently announced concerning the United States Supreme Court. Certainly, no one could have been a better selection to serve as Chief Justice than William Rehnquist. He has distinguished himself as a legal scholar who understands the appropriate role of the judiciary and who also has a clear understanding of and commitment to the founding principles of our great country. I am confident that he will further distinguish himself in this important new assignment.

Justice Antonin Scalia is also an excellent choice to assume a seat on the Court. He, too, will reflect those principles which are vital to our nation's ongoing progress.

If I can ever be of service to you in any way, I hope that you will feel free to call upon me. Mrs. Phillips and I regularly remember you in our prayers.

With best regards,

Ronald F. Phillips,
