PRESIDENT  
SOCIALIST REPUBLIC OF THE UNION OF BURMA

30 December 1985.

Dear Mr. President,

It is indeed an honour to have received your letter on the day of my arrival at Houston, welcoming me to the United States of America. I also feel privileged to be able to avail myself of the opportunity to undergo treatment for my ailment in one of the most advanced medical centres of the world.

I wish to express to you, Mr. President, my deep appreciation and gratitude for all the generous hospitality and official courtesies extended to me, my family and members of my party since the day we landed in Seattle.

Soon I will be returning home with fond memories of the best of care, attention and sincere affability accorded us by the people of the United States.

Kindly allow me to reciprocate your friendly sentiments in your congratulatory message sent to me on the occasion of my reelection as the President of the Socialist Republic of the Union of Burma, and accept, Mr. President, the assurances of my highest consideration.

Dear Minister Min Gang:

Thank you for the beautiful plaque relayed to me by Mr. Richard Williams. It was most thoughtful of you to honor me in such a manner.

Please accept my apologies that due to circumstances beyond my control, I was unable to meet with you and other members of your delegation while you were visiting the United States. However, both Mr. Williams and Mr. Colgan expressed their pleasure in the meeting and discussing the efforts of your government in combatting the drug problem.

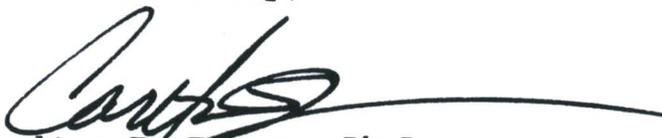

As a follow-up, I have requested an appointment with Ambassador Maung Maung Gyi to discuss issues of mutual concern. I look forward to our conversation.

When your travels bring you back to the Washington area, please feel free to contact my office that we may continue discussing issues of concern to both countries. In the interim, if I may be of assistance to you, please do not hesitate to call.

Again, thank you for your thoughtfulness.

Best wishes,

Sincerely,

Carlton E. Turner, Ph.D.

Dear Ann:

It seems there is someone opposing the bilateral eradication program in Burma. I have been asked to respond by the powers to be. Could you have Rayburn or someone draft me a strong, hard-hitting response for my signature?

Thanks very much.
