Dear Mr. President:

I would like to take this opportunity to wish you and the First Lady a Merry Christmas and a Happy New Year. Thank you for the fine job that you are doing, as our President, in providing the proper leadership that is needed in order to keep our country free for years to come.

I am employed by the South Carolina State Department of Education, Office of Transportation, as a county supervisor. It has been brought to my attention that it would be nice, if I could obtain a picture of you to have framed for display in the Aiken School Bus Shop. I realize that this may seem like an unusual request, but it is something that would be greatly appreciated.

The next time you come to Augusta to play golf, I would love to be a part of that golf outing. I have a 12 handicap. I am a score keeper for the Masters Golf Tournament.

Thank you for your time and consideration. I will look forward to hearing from you in the future.

Sincerely yours,

Hon. Jack Kemp, Rep.

Dear Mr. Kemp,

As you are aware, Mr. Ahl will be leaving county government and public service after almost forty years of serving our residents and the County of Wyoming. With this in mind, we would like to show our appreciation to him for a job well done !

Those of us that have visited Pete in his office soon realize his love for the county and the party as evidenced by his many cherished mementos hung on the walls reflecting his years in public service. One of these mementos, in particular, is a picture of President Reagan taken by a local photographer, during a visit the President made to Buffalo. Due to bypass surgery, at that time Pete was not able to make the planned trip.

We would like to ask your help, if possible, in surprising Pete at his last Board Meeting on December 30th with a signed greeting from the President on the enclosed duplicate print. We can think of nothing that Pete would enjoy more or a more appropriate way of saying thank you from his friends for his many years of service.

If this request is possible, we are in hopes that we might receive the picture back in time to have it customized frame locally. We thank you for your kind consideration of this request and look forward to hearing from you.

Sincerely,

Sally M. Wing

Dear Mr. Oglesby;

I would greatly appreciate 4 autographed photos of the President to be sent to my office AS SOON AS POSSIBLE. (Before Thursday would be GREATLY APPRECIATED). I understand this is rush request, but these people are long-time supporters of the President and worked on his first and second campaigns in New Hampshire. They would like these photos as gifts before Christmas.

Also, if possible could you vary the poses in the photos, since some of these people are in the same family. Again, your expeditious reply is greatly appreciated. Their names are:

Robin Parsons
Lou and Doris Stocklan
Sandra and Stephen Stocklan
Maralyn Murphy

Thank you for your cooperation. Please send the photos to 506 Cannon H.O.B., ATTENTION: LISA. If the requests cannot be done by tomorrow, I will have someone pick up the photos at the White House on Thursday.

With warm regards,

Robert C. Smith

Dear Ed,

Many thanks for your letter and the photograph taken during my trip to New York City.

It is always a pleasure to visit with you when I travel to the great City of New York. As you requested, I am pleased to return to you the enclosed, signed photograph. Be assured that I will relay your words of hospitality to Nancy and again, thank you for your thoughtfulness.

Best wishes for the New Year.

Dear Mr. President:

It was a delight, as it always is, to meet you at the heliport when you come to New York City. I do hope you will have occasion to read my new book; I think you will like it because it is down to earth anecdotal politics, the kind that you would remember from your earlier days.

I am enclosing the picture taken when State Comptroller Ned Regan and I met you and Mrs. Reagan at the heliport.

You may not recall, but when you were first elected, I told you and Mrs. Reagan that you would always be welcome when you come to New York City to stay at Gracie Mansion instead of a hotel. You told me that the Waldorf had put your and Nancy's initials on the towels. I'll do them one better and put your initials on the bedspreads, as well.

In closing, I would like to say that I believe that you have had a stronger impact on the thinking of the country than any president since FDR.

All the best.

Sincerely,

Edward I. Koch
