Your Highness:

Nancy joins me in sending you warm wishes on your birthday. Had our schedule for the Moscow Summit just slipped a week, we might have been able to convey these greetings to you in person. Nonetheless, it was a pleasure to see you again last week on our short stay in London, and it is a similar pleasure now to congratulate you and express the hope that you have a joyous and memorable celebration.

May the coming year bring you all the best. Again, congratulations and Happy Birthday!
