Dear Maxine:

Just a hasty line I'm dictating on Air Force One on our way back to Washington. I wish we were heading West instead.

I found your letter awaiting me and thank you very much. Maxine, I hope you won't mind but I learned that Clo was very attached to the painting of "Old Duke" so I transferred the "loan" to her. She was most appreciative and I think it was helpful to her at this particular time. Please don't think the picture didn't "talk to me," it did, very eloquently. I just couldn't deprive her of it.

Please give my regards to Nick and again thanks.

Sincerely,

RONALD REAGAN

Dear Mr. President and First Lady:

Dear Ron and Mrs. Reagan:

Clo called me yesterday as soon as she collected her composure to tell us of Lee's regrettable death at the ranch. To lose such a friend, as you know, is a shocking blow. I had just visited Lee, at Rancho del Cielo, last Wednesday, the 6th. We had a great time and as always I take up a large bag of cut carrots for your gang of horses (Lee took several pictures of them and me, which are still in camera) and tell 'em their from "Kalico" (my horse) and of course, yummys for Vic, Millie, Taca and Free-bow.

I had arranged for Lee to be guest speaker at the Hope Ranch Riding and Trails Annual meeting at UCSB tomorrow evening. Nick and I were going to pick he and Clo and Cara plus projector and slides out to the meeting. So many reservations (60 to 70) that we felt the "show must go on". Cara and I will do our level best to answer any questions regarding Lee's slides. I know the horses and dogs--it's about all.

On a previous visit to the ranch last year, I finalized my selection and ordered my Sid Hill Australian Poly (saddle) with the grateful help and information I got from your Hill saddle. (I used to ride and loved one that my Dad played polo on). And at that time I should have written you a note to go with Nick's painting (I sure hounded him to do it for you) "The Presidents Duke". I took it up to show Lee and see how I could "loan" it to you, so you could have a piece of the ranch in D.C., without the "powers-that-be" getting involved. He hung it over his fire place for fun and later said you mentioned to keep it there for you. Now with undoubtedly a new manager coming and the FACT that you surely are not obligated to keep it if it dosen't "talk to you", please let me know and we'll take it from there.

Nick's busy in the studio along with some requests the Rancheros want for the May ride. Speaking of rides, Ron, I ride like my Dad, Buck, and know you both would enjoy riding--with me. I'd love to bring Kalico up when your "in ranch" and time permits, away from cameras etc, etc, etc.!

With Genuine Sincerity,

Dear Joyce:

Thanks for your letter and the photo. I'm  
so glad to hear that you enjoy your stickpin.

Your uncle calls me "Dutch" as that was the  
nickname my father gave me and that is what  
I was called all through college. As for  
the duck walk, I'm not sure whether it is  
exercise or torture! You squat down and  
then walk in that position. The result is  
that you look just like a waddling duck. It  
really does limber you up.

Nancy joins me in sending our warm regards.

Sincerely,

RONALD REAGAN

The Honorable Ronald Reagan  
President of the United States of America  
The White House  
1600 Pennsylvania Ave.  
Washington DC.C. 20036

Dear President Reagan:

I want to thank you again for the honor of receiving me into your office on August 16, 1984, for our brief meeting. It is exactly nine months today. I received the wonderful picture of you and I from Frederick Ryan. The stickpin of the Seal of The United States you gave me is so very special. I have placed it on my jacket and wear it often alone. I am so proud of it. I am enclosing the picture of my Olympic pin collection that I promised you. It was a thrilling experience that I treasure and relive in my heart often.

I love America so much, and care deeply what happens to her. It is a special place that God has blessed because it was one nation founded under God. The Bible says blessed is the nation who fears God and God is their God. I praise and thank Him for your re-election, He truly has honored you because you honor Him in so many ways.

Uncle Ralph is such a special man, he has touched the lives of many many people, just as you have. By the way, I understand that he calls you "Dutch" and tells of the story that he made you do the "duck walk" across the football field. If I may be so bold as to ask you why he calls you "Dutch" and what is the "duck walk"?

Presently I am an Executive Assistant/Secretary to the Bureau Chief of ABC Network News on the West Coast. I have served in many capacities such as a liaison and P.R. coordinator of visits of VIP's and guests of the station. I have worked with 20/20 as a production associate on some stories on the West coast. I have done quite a bit of research for the research department. I thrive working and serving people. It has been rewarding and enlightening. I pray God will help the news business. I have even entertained the idea of serving you in some capacity, possibly in protocol.

I know how demanding your schedule is, however, if you are on the West Coast and I can serve you in some way, please let me know.

Please give my warmest regards to Mrs. Reagan.

I am hoping to hear from you soon. God Bless you.

Respectfully,

  
Joyce L. Hart

Dear President Reagan:

Just a quick note to wish you and Mrs. Reagan a "Born Voyage." I know you are busy getting ready for your trip overseas. I just want you to know that we'll be thinking about you + pulling for you every step of the way.

My neighbor, Col. Gregory "Poppy" Bayington called Tuesday afternoon. He was shall we say "Airborne" after speaking with you. It was so nice of you to call him and Gregory really really appreciated it.

Have a safe + happy trip.  
Our thoughts + prayers will be with you as always.

~~Handwritten File~~

Dear President and Mrs. Reagan,  
Thank you so much  
for sending such a beautiful  
arrangement to Michael and I in  
honor of Abigail's birth.

They really cheered up  
a dreary hospital room, especially  
since we were separated from her.

She is still in intensive  
care, but everyday she is building

on her 31b. 7oz frame. We hope  
Sergail will be able to come home  
by late August.

When Michael manages a  
good photograph, we will be sure  
to send you one.

Warm regards,  
Joy & Michael

Dear Mr. Alvarado:

Many, many thanks for the Reagan tie bar. I'm often kidded about how worn my old one is and I'm very pleased to be able to start my mayoral campaign with a new memento from this administration.

The Anchorage meeting was outstanding. I only wish we could have a more realistic analysis of the impact on cities of the Federal Budget. It's time local government participated as a partner not an adversary as we try to solve our deficit problems. I'll certainly continue to speak out on the issue.

Thanks again for the tie bar. I enjoyed visiting with you and look forward to another four years working with a Republican White House.

Sincerely,

Dear Mr. and Mrs. Jones:

We have sent to you this date a plant,  
as requested in your recent letter.  
It is a Pinus radiata (Majestic Beauty)  
Monterey Pine, which we hope will add  
the right sort of touch to your collection

Your garden sounds most interesting and novel and we are pleased to be able to add another contribution from The President's home.

Dear Mr. Buchanan:

Greetings to all of you at the White House .

May I make a special request of you ?

WE are collectors of flowers and plants from homes and sites associated with each of our presidents . Note the enclosure .. And, we have received some form of plant life from each place .. except from ~~Mr~~ President Reagan's RANCh in California ..

Thus, we would appreciate your assistance in helping us to obtain some plant from that lovely ranCh .. WE have seen pictures of it in LIFE magazine ..

The highly circulated SOUTHERN LIVING magazine will be coming to our home in the near future for taking colored pictures of some of the plants we have received .. for a fall story on our garden .. It would be wonderful if President Reagan could request ~~that~~ his foreman send us something from the Ranch in time for the photograhpy session !

Many ~~thnks~~ thanks for your assistance, Mr. Buchanan .. Please extend our greetings to President and Mrs. Reagan .

Sincerely,
