Dear Bowie:

Thank you for the very special gift. For a former baseball announcer and would-be baseball player, there can be no greater thrill than to receive a World Series official ball.

Baseball is America's very own game and it probably generates as much news and discussion in this country as any world event. Therefore, I am especially pleased to have your unique gift.

Sincerely,

Dear President Reagan: *of the US.*

Enclosed are three prints specially commissioned by the Capitol Historical Society which the Society wanted me to present to you as mementos of your inauguration. They were all done by Paul Norton, a well-known, mid-western painter who specializes in water colors.

I understand that you know Mr. Norton from his past work with W.O.C. Radio in Davenport. Fred Schwengel, President of the Capitol Historical Society, wanted me to specifically mention how pleased Mr. Norton is to have the Society make this presentation to you.

I am sure you will enjoy these prints.

Best personal regards.

Dear Jack:

I'm sending three of these letters because I understand there were 3 of you involved in my handsome gifts. I've just been reminded that somehow in the moving plus getting a job, I've not thanked you. Please accept my abject apology - I'm truly sorry.

My brother did deliver the silver reel and the mule and I'm delighted to have them. Believe me they serve as reminders of a most happy association. In fact, there have already been a few days in this new job when I longed to be back doing "Death Valley Days."

Thank you again and once more, my apologies for being so late.

Dear Bess:

You and Moon were outstanding on National TV! What an experience; Betsy and I can hardly wait to hear the details.

You and your new camera did a superb job, thank you so much for the prints. The entire company is getting a kick out of the awards picture. Is it possible to get the negative?

The following people were responsible for the awards:

Dr. Carl L. Randolph - President
Mr. Tom M. Cromwell - Vice President
and ME

Any kind of "thank you" would be most appreciated, and you can bet it would be displayed prominently.

I will call you when things calm down and plan our "Death Valley Days" Film project.

May I introduce you to my friend, "Lubana of Paris" - a enchanteur designer I discovered recently. She would be delighted if you would select the three gowns you most prefer, and accept them as a gift from her.

"I love President and Mrs. Reagan!"

And so do we!

Dear Mayor Barna:

It was a special pleasure to receive the Key to the City of Freeland. I look forward to including it among my valued collection of remembrances.

The spirit which prompted this kind gesture tells me of your support and friendship and makes me very proud to be counted among the friends of Freeland.

I am forwarding an autographed picture that you might enjoy adding to your own collection of mementoes.

Sincerely,

MEMORANDUM

THE WHITE HOUSE

WASHINGTON

February 26, 1981

FOR: Anne Higgins
Director, Presidential Correspondence

FROM: Kenneth M. Duberstein
Deputy Assistant to the President
for Legislative Affairs

SUBJECT: Mr. George J. Barna, Mayor of Freeland, PA

Mr. George J. Barna, Mayor of Freeland, Pennsylvania called Congressman James Nelligan (R-PA) and asked the Congressman to set up an appointment for him to meet with the President and the Vice President to present them with the key of the city. Mr. Barna was able to meet with the Vice President. I personally went to the Congressman's office to meet the Mayor and he presented the key to me and asked that I present the key to the President.

The President carried that area by a good margin. It was requested that a picture of the President receiving the plaque and key be sent to the Mayor along with a letter from the President. I feel a letter from the President and perhaps, a autographed picture of the President would be the proper response.

Your assistance in this matter would be greatly appreciated.

Many thanks.
