March 30, 1981

Dear Jake:

The President has asked me to thank you for your March 18 letter on behalf of your constituent, Mr. M. Royce Jones, who would like to present to the President a "Dixie" stone from Utah.

Since the date for Mr. Jones' visit to Washington is coming up so very soon, I have forwarded your letter to the President's Scheduling Office for their prompt and careful consideration.

With cordial regard, I am

Sincerely,

Dear President Reagan:

I realize how very busy you are, and hesitate to make a request for a moment of your time. However, I have been asked by one of my constituents to determine if you would be able to take a few minutes to receive a presentation. Mr. M. Royce Jones, who is Executive Vice-President of the St. George Area Chamber of Commerce, will be in Washington from April 9th through April 14th. He would like to confer a gift to you and Mrs. Reagan on behalf of the city of St. George and Southern Utah, which you visited in the fall campaign of 1978.

The gift will be of hand fashioned "Dixie" stone, typical of that colorful part of Utah. Mr. Jones will accompany this with a framed description of the stone and the Utah area where it is found.

Your consideration of this matter is greatly appreciated. If you need any information, please contact me.

Sincerely,

Jake Garn

Dear Senator Garn:

As a representative of the St. George Area Chamber of Commerce I will be visiting the Washington area Thursday, April 9 through Thursday, April 14. During my stay in the area I would like very much to confer a gift, on behalf of St. George and Southern Utah, to the President and First Lady.

The gift will be hand fashioned from "Dixie" color stone, typifying this majestic and colorful portion of our beautiful state. Accompanying the gift will be a nicely framed description of the stone and the area from which it came.

Understandably, the Presidents time is very valuable, if the occassion does not present itself to confer our gift to both the President and Mrs. Reagan possibly an appointment can be made to present it singly to the First Lady.

During my visit back east I can be reached at:

Thank you very much for your consideration in this matter. I am anxiously looking forward to seeing you on April ninth.

Respectfully,

M. Royce Jones

Dear Sir:

It is now more than a month since you contacted me, advising me that we would be receiving a thank you letter, addressed to my daughter and son, for the commemorative shirts sent to President and Mrs. Reggan.

I told them that this letter was coming, and naturally they were very excited about it. Now, since nothing has arrived, they feel tremendously "let down" and frankly, I don't blame them.

Can you please rectify this oversight?

sincerely,

NOTICE CONCERNING CARRIERS' LIMITATION OF LIABILITY

IF THE CARRIAGE INVOLVES AN ULTIMATE DESTINATION OR STOP IN A COUNTRY OTHER THAN THE COUNTRY OF DEPARTURE, THE WARSAW CONVENTION MAY BE APPLICABLE AND THE CONVENTION GOVERNS AND IN MOST CASES LIMITS THE LIABILITY OF THE CARRIER IN RESPECT OF LOSS, DAMAGE OR DELAY TO 250 FRENCH GOLD FRANCS PER KILOGRAMME, UNLESS A HIGHER VALUE IS DECLARED IN ADVANCE BY THE SHIPPER AND A SUPPLEMENTARY CHARGE PAID IF REQUIRED.

THE LIABILITY LIMIT OF 250 FRENCH GOLD FRANCS PER KILOGRAMME IS APPROXIMATELY US \$20.00 PER KILOGRAMME ON THE BASIS OF US \$42.22 PER OUNCE OF GOLD.

CONDITIONS OF CONTRACT

1. As used in this contract "Carrier" means all air carriers that carry or undertake to carry the goods hereunder or perform any other services incidental to such air carriage. "Warsaw Convention" means the Convention for the Unification of certain Rules relating to International Carriage by Air signed at Warsaw, 12 October 1929, or that Convention as amended at The Hague, 28 September 1955, which ever may be applicable, and "French gold franc" means francs consisting of 655 milligrams of gold with a fineness of nine hundred thousandths.
2. (a) Carriage hereunder is subject to the rules relating to liability established by the Warsaw Convention unless such carriage is not "international carriage" as defined by the Convention.
(b) to the extent not in conflict with the foregoing, carriage hereunder and other services performed by each Carrier are subject to:
 - (i) applicable laws (including national laws implementing the Convention), government regulations, orders and requirements,
 - (ii) provisions herein set forth, and
 - (iii) applicable tariffs, rules, conditions of carriage regulations and timetables (but not the times of departure and arrival therein) of such carrier, which are made part hereof and which may be inspected at any of its offices and at airports from which it operates regular services. In transportation between a place in the United States or Canada and any place outside thereof the applicable tariffs are the tariffs in force in those countries.
3. The first Carrier's name may be abbreviated on the face hereof the full name and its abbreviation being set forth in such Carrier's tariffs, conditions of carriage regulations and timetables. The first Carrier's address is the airport of departure shown on the face hereof. The agreed stopping places (which may be altered by Carrier in case of necessity) are those places except the place of departure and the place of destination set forth on the face hereof or shown in Carrier's timetables as scheduled stopping places for the route. Carriage to be performed hereunder by several successive carriers is regarded as a single operation.
4. Except as otherwise provided in Carrier's tariffs or conditions of carriage, in carriage to which the Warsaw Convention does not apply, Carrier's liability shall not exceed US \$20.00 or the equivalent in francs of goods lost, damaged, or delayed, unless a higher value is declared by the shipper and a supplementary charge paid.
5. If the sum entered on the face of the Air Waybill as "Declared Value for Carriage" represents an amount in excess of the applicable limits of liability referred to in the above Notice and in these Conditions and if the shipper has paid any supplementary charge that may be required by the Carrier's tariffs, conditions of carriage or regulations, this shall constitute a special declaration of value and in this case Carrier's limit of liability shall be the sum so declared. Payment of claims shall be subject to proof of actual damages suffered.
6. In cases of loss, damage, or delay of part of the consignment, the weight to be taken into account in determining Carrier's limit of liability shall be only the weight of the package or packages concerned.
Note
Notwithstanding any other provision, for foreign air transportation as defined in the U.S. Federal Aviation Act, as amended, in case of loss or damage or delay of a shipment or part thereof, the weight to be used in determining the carrier's limit of liability shall be the weight which is used for a pro rata share in the case of a part shipment, loss, damage or delay) to determine the transportation charge for such shipment.
7. Any exclusion or limitation of liability applicable to Carrier shall apply to and be for the benefit of Carrier's agents, servants and representatives and any person whose aircraft is used by Carrier for carriage and its agents, servants and representatives. For purposes of this provision, Carrier acts herein as agent for all such persons.
8. (a) Carrier undertakes to complete the carriage hereunder with reasonable dispatch. Carrier may substitute alternate carriers or aircraft and may without notice and with due regard to the interests of the shipper, substitute other means of transportation. Carrier is authorized to select the routing or to change or deviate from the routing shown on the face hereof. This Subparagraph is not applicable to/from USA.
(b) Carrier undertakes to complete the carriage hereunder with reasonable dispatch. Except within USA where carrier tariffs will apply, Carrier may substitute alternate carriers or aircraft and may without notice and with due regard to the interests of the shipper, substitute other means of transportation. Carrier is authorized to select the routing or to change or deviate from the routing shown on the face hereof. This Subparagraph is applicable only to/from USA.
9. Subject to the conditions herein, the Carrier shall be liable for the goods during the period they are in its charge or the charge of its agent.
10. (a) Except when the Carrier has extended credit to the consignee without the written consent of the shipper, the shipper guarantees payment of all charges for carriage due in accordance with Carrier's tariffs, conditions of carriage and related regulations, applicable laws (including national laws implementing the Convention), government regulations, orders and requirements.
(b) when no part of the consignment is delivered, a claim with respect to such consignment will be entertained even though transportation charges thereon are unpaid.
11. Notice of arrival of goods will be given promptly to the consignee or to the person indicated on the face hereof as the person to be notified. On arrival of the goods at the place of destination, subject to the acceptance of other instructions from the consignor prior to arrival of the goods at the place of destination, delivery will be made to or in accordance with the instructions of the consignee. If the consignee declines to accept the goods or cannot be communicated with, disposition will be in accordance with instructions of the consignor.
12. (a) The person entitled to delivery must make a complaint to the Carrier in writing in the case:
 - (i) of visible damage to the goods, immediately after discovery of the damage and at the latest within 14 days from receipt of the goods.
 - (ii) of other damage to the goods, within 14 days from the date of receipt of the goods.
 - (iii) of delay within 21 days of the date the goods are placed at his disposal and
 - (iv) of non-delivery of the goods, within 120 days from the date of the issue of the Air Waybill.

(b) For the purpose of Subparagraph (a) above complaint in writing may be made to the Carrier whose Air Waybill was used, or to the first Carrier or to the last Carrier or to the Carrier who performed the transportation during which the loss, damage or delay took place.

(c) any rights to damages against Carrier shall be extinguished unless an action is brought within two years from the date of arrival at the destination, or from the date on which the aircraft ought to have arrived, or from the date on which the transportation stopped.
13. The shipper shall comply with all applicable laws, and government regulations of any country to, from, through or over which the goods may be carried, including those relating to the packing, carriage or delivery of the goods, and shall furnish such information and attach such documents to this Air Waybill as may be necessary to comply with such laws and regulations. Carrier is not liable to the shipper for loss or expense due to the shipper's failure to comply with this provision.
14. No agent, servant or representative of Carrier has authority to alter, modify or waive any provisions of this contract.
15. On request and if the appropriate premium is paid and the fact recorded on the face hereof the goods covered by this Air Waybill are insured under an open policy for the amount requested as set out on the face hereof (recovery being limited to the actual value of goods lost or damaged provided that such amount does not exceed the insured value). The insurance is subject to the terms, conditions and coverage (from which certain risks are excluded) of the open policy, which is available for inspection at an office of the issuing Carrier by the interested party. Claims under such policy must be reported immediately to an office of Carrier.

Dear President Reagan:

Thank you for inspiring me to "USE MY BEAN". As a token of my gratitude I want you to have this one and only "10 gallon jelly bean" I hope you like it and wear it in good health.

The story behind this pin is one of faith and fortitude. I was faced with one problem after another in my little dream. My determination, (which I didn't know I had) conquered each one.

Because I believe in you as a strong leader of our country, it makes me proud and happy to send this to you.

Sincerely,

Sir:

First let me wish you a happy birthday. May you have many more.

JMA
Enclosed you'll find 3-8x10 photos which I took of you in Long Beach, California when you were still running for Governor. You, at the time, was on a campaign walk down Pine St., where most of the businesses are located. You went into stores, cafes and banks shaking hands and asking for their vote. It was then that I found you have a very loving wife. I remember she was trailing you in a convertible and she was always saying such as, "Ronnie, you better put your sweater on" or "Ronnie you've walked far enough you better ride with me for a while." But, again as I remember you wouldn't take her advice & I can tell you after we reached the foot of Pine, I was plenty tired myself. All I can say is it's no wonder you're in such good health. You have a very concerned love-mate.

The reason I was along taking pictures of you is that I was working for the Long Beach Independent-Press Telegram at the time. One of the enclosed photos was in the paper the next day, but I can't find the clipping I had. These are the only prints I have, but I might have the negatives. I no longer work as a press photographer as I got caught in the aer-space layoff in 1969. So I had to seek another type of employment. My first love is still press photography but at my age {57} that kind of work is hard to find. I still take pictures once in a while. If you ever come our way again I'll be there.

I want you and Mrs. Reagan to have these photos as I thought you might like to add them to you many pictures you have of your political career.

It is my belief that you're going to make us a good president. My family & I have approved of everything you've done so far.

GOD BLESS YOU.....

Yours Sincerely
