Dear Friends:

You were good to think of us and we want you to know how pleased we are by your kindness. Thank you for remembering us with the generous gift of fine Wisconsin fresh cheese. The Junior Beavers 4-H Club Dairy is a part of Young America that is our source of strength for the future of our country.

Please accept my deep regrets for not writing sooner during this busy time.

Nancy joins me in sending you our best wishes.

Sincerely,

I spoke with your office about tracking this down. There was no record of a letter from Lynda Sirianni. Perhaps you may be able to locate if you see the original correspondence.

Please send me your response so I can route to the Department of Agriculture. In frustration, these kids sent a letter to Secretary Block.

Dear Mr. John Block;

We sent the original of this copy-letter (enclosed) with a gift box of cheese to President Reagan in November and also have written FOUR times requesting that he at least thank the 4-H kids who did this. But we have received NO word. Do you think you could find out why for us? We would appreciate your help very much.

Our 4-H club would also like to congratulate you, our new Secretary of Agriculture, Mr. John Block.

Thank you and have a good day!

Sincerely,

*Lynda Sirianni*

Dear President Ronald Reagan and family;

CONGRATULATIONS!, from the Junior Beavers 4-H Club Dairy Promotion Committee. We are part of the largest 4-H Club in Barron County in Wisconsin consisting of about 80 members and we live in a rural dairy community in and around the towns of Cumberland and Comstock, Wisconsin.

We strongly believe in promoting our nutritious dairy foods. Here are a few reasons why:

1. We like to show people how much better the Real Dairy Product is.
2. By promoting dairy products, we meet so many other friendly people who are happy to know the truth about Real Dairy Foods.
3. We need to promote our own dairy foods alot all over because of the great competition of imitation foods, imports and sodas.

Would you please accept this gift of Wisconsin fresh cheese with our sincere hope you will personally enjoy it with your family.

Our dairy promotion committee asks you if you would please help us to promote our fine dairy products by sending an article about this with a picture of you and your family enjoying our tasty cheese. The following addresses are the newspapers in our local area, but you may send an article of our dairy activity to anyone you like, as we love to promote our great dairy products any way we can. We have been a very active dairy promotion 4-H club with activities such as recipe contests, drawing contests, milk carton and essay contests to name a few.

Dear President Reagan,

SMH We know we are no high-outstanding political people, and we know our gift box of cheese that we sent to you in November, 1980, was not worth the dollar value of the enclosed clipping of the Arabian Stallion; but we are really CURIOUS as to why not ANY ONE of your staff cannot just write a little note in response to our gift and letters. This is the FOURTH time we are writing you and by no means do we expect a personal note from you, Mr. Reagan, ( as we know you are really busy), but we sure would like a response from someone for the 4-H kids sake.

We know we have nothing to give you in return. By now we assume that you did not even get our gift box of cheese with our personal touches added, which is disappointing alone. After all the eager help the 4-H'ers put into getting it all together, they are feeling low because of no answer. All seven of those who were personally involved on our dairy promotion committee were so anxious about sending their very own personal gift to you, THE PRESIDENT.

I urge you to please drop a little line in answer to our pleas. It would be much appreciated.

Dear President Ronald Reagan,

I am sending a copy of a letter our 4-H Dairy Promotion Committee sent to you in November of '80.

We also sent a box of assorted Italian Cheese which was donated by Stella Cheese Co. here in Cumberland. We have heard NOTHING from anyone and we are worried that you did not even receive our gift package.

Would you be kind to let us know if you did receive it, as our 4-H kids are a bit disappointed that we haven't heard from you.

We realize you are a very busy man, but even a short note would be so welcome.

Thank You!

Mr. Ronald Reagan  
The White House  
Washington, D.C. 20500

Dear Mr. President,

I am enclosing a copy of our latest issue of Yankee Horsetrader because it has several stories which I'm sure will amuse you. The first is "Hawker Bar Goes to Washington", an account of the inaugural parade written in the person of one of the horses which rode in the Side Saddle contingent.

The other is "Puller on Puller", a first hand account by a now deceased but highly admired New York horseman who trained horses for Mrs. Woodrow Wilson.

I hope you will get to read these stories, although I am aware of how limited your time is.

Sincerely,

David Scribner  
Editor and Publisher

ps. Many of us are tickled that a real horseman is in the White House. Good luck, and I do hope you get a chance to get away and ride. I'm acquainted with Mac Baldrige through the rodeo circuit.
