MEMORANDUM FOR JAMES C. MILLER

SUBJECT: Marcos Costs

Attached is the NSC memorandum we discussed. In my view, which agency should bear these costs is not properly a White House decision, and to my knowledge, has not been in the past. I would hope this could be worked out on an interagency level with technical guidance from OMB.

U.S. Department of State/SA-1
Room 5214
Attn: Mr Norman W. Runkles
Controller State/RP
Washington, D.C. 20520

Dear Mr Runkles

Attached billing is for the airlift movement requested by Department of State of Ferdinand Marcos and party from Manila to Hawaii. Airlift from Malacanang Palace Park to Clark Air Base was by a task force consisting of H-3 helicopters and a C-130. Airlift from Clark to Guam was by C-9A aeromedical evacuation aircraft and MAC C-141 SAAMs (1352 and 1353). Airlift from Andersen Air Force Base, Guam, to Hickam Air Force Base, Hawaii, was by the continuation of MAC C-141 SAAMs (1352 and 1353). This bill includes a charge for the airlift return of selected non-crew member passengers from Hickam to Clark.

We have calculated these charges using the tariff rates for non-DOD U.S. Government Agencies. We have also annotated the bill to show the amount chargeable if these airlift costs are to be recovered from non-U.S. Government sources.

You may write me at HQ MAC/ACI, Scott AFB, Illinois 62225-5001 or call (618) 256-4648 if you have questions. Your expeditious processing of this payment would be appreciated.

Sincerely

MEMORANDUM FOR DONALD T. REGAN
FROM: JOHNATHAN S. MILLER *JSM*
SUBJECT: Special Air Missions Aircraft Request for
President Aquino

The State Department has requested, and the NSC has endorsed, that President Aquino receive Special Air Mission support for her official working visit to the United States. Under normal protocol recommendations, she would not be eligible for such support since her visit is not an official one, but rather an official working visit.

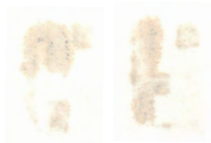

A case can be made, however, that her visit is of such importance to our national security interests that the protocol rule be waived. Accordingly, I recommend that we authorize Special Air Mission support for President Aquino during the duration of her stay in the United States in September. I note, however, for the record, that this recommendation should not be taken as precedent for future air missions in support of official working group visits.

MEMORANDUM FOR DONALD T. REGAN

FROM: JOHN M. POINDEXTER *WMP*
SUBJECT: Special Air Missions Aircraft Request for
President Aquino

President Reagan has invited President Aquino on an Official Working Visit to the United States September 17-19. Her visit will provide an opportunity to underscore our support for her government, our desire that it succeed, serve to highlight the special nature of our ties with the Philippines and will be a reminder of the Administration's foreign policy success in helping to promote peaceful democratic change in the Philippines.

For these reasons we believe that every effort should be made to ensure the success of the Aquino visit. In this connection, the Department of State has requested a special missions aircraft be made available on a non-reimbursable basis to provide transportation for President Aquino during her visit in this country -- current dates of her trip in the United States are September 15-23. The provision of such an aircraft would underscore the high importance we attach to the Aquino visit, would greatly facilitate security arrangements and is consistent with other exceptions in the past for high priority visits.

I recommend that you approve this request.

MEMORANDUM FOR VADM JOHN M. POINDEXTER
THE WHITE HOUSE

SUBJECT: PRESIDENT AQUINO'S VISIT TO THE U.S.

President Aquino's official working visit to the U.S. September 17-19 is an important step in our efforts to forge a close relationship with the new government in the Philippines. Her visit provides a unique opportunity to underscore U.S. support for her government and our desire that it succeed. Her presence here will also serve to highlight the special nature of our ties with the Philippines, an old friend and key Pacific ally. Finally, her appearance in the U.S. will be a vivid reminder of the Administration's impressive foreign policy success in helping to promote peaceful, democratic change in the Philippines.

For these reasons we believe that every effort should be made to ensure the success of the Aquino visit, including some extra measures beyond the standard procedures and courtesies associated with a regular official working visit. In this regard, we request that a special mission presidential aircraft be made available on a non-reimbursable basis to provide transportation for President Aquino throughout her visit in this country. The current dates of her trip in the U.S. are September 15-23. The provision of such an aircraft would underscore the high importance we attach to the Aquino visit, and would also greatly facilitate security arrangements.

In addition, we ask approval of an informal breakfast at the White House for President Aquino with President Reagan on the morning of September 18. This event would enable Aquino and the President to get to know each other better in a relaxed setting following their more formal discussions at the morning meeting and working lunch scheduled for September 17.

The current dates of her trip in the U.S. are September 15-23. The provision of such an aircraft would underscore the high importance we attach to the Aquino visit, and would also greatly facilitate security arrangements.

In addition, we ask approval of an informal breakfast at the White House for President Aquino with President Reagan on the morning of September 18. This event would enable Aquino and the President to get to know each other better in a relaxed setting following their more formal discussions at the morning meeting and working lunch scheduled for September 17.

MEMORANDUM FOR JOHN M. POINDEXTER

FROM: FRANK LAVIN *Frank L. Lavin*
DICK CHILDRESS *[Signature]*

SUBJECT: First Lady's Participation in Aquino Visit

President Aquino has sent the President a hand-written note stating that she was looking forward to coming to the White House (Tab A). In the note she specifically states that she would be interested in a private meeting with the First Lady.

As you know the First Lady does not play a formal role in such visits except when she hosts a ~~the~~ social function. Because President Aquino is not accompanied by a spouse, there is no social component to her visit. We do not feel a private meeting between the First Lady and Mrs. Aquino is necessary, but if the First Lady could briefly greet Mrs. Aquino it would send a clear posture signal.

Attached is a memorandum from you to Jack Courtemanche proposing that the First Lady drop by the Family Dining Room just prior to the working luncheon to personally greet Mrs. Aquino and welcome her to the White House (Tab I).

RECOMMENDATION

That you sign the memorandum at Tab I.

MEMORANDUM FOR JACK COURTEMANCHE

FROM: JOHN M. POINDEXTER

SUBJECT: First Lady's Participation in Aquino Visit

As you know, President Aquino will be the guest of the President at an Official Working Visit on September 17. Usually the only role the First Lady plays in an Official Working Visit is to host a coffee for the spouse of the guest. As there is no spouse we had envisioned no role for the First Lady in the Aquino visit. However in a hand-written letter to the President (Tab A), President Aquino specifically requested a private meeting with the First Lady.

We do not believe the First Lady would think it appropriate to play an official government role by holding a private meeting with a foreign Head of State, but we would like to be able to demonstrate that the President is giving Mrs. Aquino a warm welcome in the White House. Therefore we would like to suggest that the First Lady greet Mrs. Aquino just prior to the working luncheon in the Family Dining Room. At this point the Filipino and American delegations would be enjoying cocktails before they sit down to their luncheon. It would be an informal setting and would allow the First Lady to chat with Mrs. Aquino on a social basis. We envision a three to five minute chat.

I. PURPOSE

Based upon the NSC Meeting yesterday, we agree that your approach is best in the one-on-one with President Aquino. Your personal experience is relevant to her current situation. It provides a basis for dialogue and rapport. We also believe the one-on-one should be extended as long as necessary.

II. BACKGROUND

It is important in this dialogue that you provide President Aquino the opportunity to explain the Philippine context of the insurgency and how she is approaching it. Accordingly, we have revised your talking points for the one-on-one using the questions from the Plenary to elicit her views first. After her presentation, the common elements should be obvious to relate to your own experiences. This approach will avoid the potential pitfalls of her perceiving she is in need of a lecture, but will still penetrate.

ADDED TALKING POINT FOR PRIVATE MEETING WITH PRESIDENT AQUINO

-- The Westinghouse Bataan Nuclear Plant in the Philippines has been made a political issue by the Left in Manila. It remains unfinished and is costing the Philippine Government \$400,000.00 per day in interest. Without its completion, they will face a serious energy shortage in the next couple of years. They are currently involved in quiet negotiations with Westinghouse. It is important that you reinforce these negotiations by briefly mentioning the issue in your private meeting along the lines below.

SUBJECT: Proposed Note from Mrs. Reagan to President Corazon Aquino

President Corazon Aquino has expressed, through intermediaries and in a hand-written note to President Reagan (Tab B), a desire to meet Mrs. Reagan during her visit. I understand, however, that the First Lady will be out of town from Tuesday, September 16 to Thursday, September 18. This will render a meeting impossible.

As a courtesy to the President's guest, and to ward off unhelpful comments by hypersensitive Filipinos in the large Presidential entourage, we believe a short, handwritten note from the First Lady would be appropriate and helpful.

We request that you ask the First Lady to consider writing such a note. A suggested wording draft is attached. Such a note, if it can be written, would be best timed for delivery to President Aquino on Tuesday, September 16.

Dear President Aquino,

Welcome to the United States and to Washington for the first time in your official capacity. I had hoped to be able to meet you, but long-standing events, part of our fight against drugs, require me to be out of town while you are here.

It was thoughtful of you to ask President Reagan to arrange a time for us to meet. I am very sorry that my trip makes it impossible. ~~The President is looking forward to his discussions with you. He is determined to maintain the closeness that is so important to both of our countries.~~

~~My life in the White House has given me a special sense of the problems which you have before you. Millions of Americans admire your determination to strengthen Philippine democracy and improve conditions for your countrymen. My heart goes out to you, and I look forward to meeting you on another visit.~~
