Dear Mr President;

The world knows that you are the champion of Human rights so that is why I am writing to you to help me in my case with the W. German Government. I am writing to you pertaining to my claim which i filed almost 12 Yrs ago.

The W.German Government does not recognize my claim as being valid and they refused to compensate me for the murder of nine members of my family during world war 2.

I have written to former Chancellor Helmut Schmidt and Chancellor Helmut Kohl. Neither one would help me to obtain Justice for the loss of my family.

At one time I was informed by a staff member of the German Consulate in L.A. that if I want compensation for their crime, I should apply to my Government since the U.S. has frozen German assets from world war 2 and they could help me to get paid out of these funds.

Mr.President, I am in the United States since 1938 and I am an American citizen. If you wish more information about my case your office can obtain the files from Senator Alan Cranston, in Washington and Rep.Howard L.Berman, and Calif.State Senator Alan Robbins.

I expect help from you Mr.President in this Humanitarian Cause.

Sincerely Yours

Re; Lester Lipman Weinstock
case #514-552-WG- 2209

The Hon.Helmut Kohl.

I am writing in regard to my case. I know that all Americans hold the current W.Germany in great esteem for its efforts to atone for the Nazi era.

In that spirit of atonement, I would hope that you Chancellor as an act of conscience consider my claim and bring an honorable close, with justice, which the former Chancellor Helmut Schmitd failed to do so, because he refused to recognize the crimes committed by the Nazis against my entire family.

The former Chancellor could not judge my case with honor because as a Wehrmacht officer in World War 2, he had never abandoned his oath of loyalty to A.Hitler.

Its up to you Chancellor to take steps necessary to resolve this matter and promote justice to the 11 year case.

Your personal attention to this matter would be greatly appreciated.

Washington, D.C. 20500

Dear Mr. President:

I am writing on behalf of a friend of mine, Lester Lipman Weinstock. Mr. Weinstock has filed a petition over eleven years ago with the West German government to be compensated for the killing of nine members of his family by the Nazis during World War II. Mr. Weinstock is the only surviving member of his family left to make such a petition.

The reason Mr. Weinstock was left alive to file this petition is he was sent out of Poland in 1938 for schooling.

The West German government has consistently refused to grant Mr. Weinstock's petition for the following reasons: 1) They say their compensation was designed to reimburse survivors of the holocaust and Mr. Weinstock was not a survivor. 2) Mr. Weinstock's petition was filed after the statute of limitations for such petitions.

Our reply to those points has been: 1) There are no survivors of the holocaust in Mr. Weinstock's family since they were all killed and who, except Mr. Weinstock, can file for them. 2) Mr. Weinstock had great difficulty documenting the deaths of his family since they were all killed and all their personal effects and records destroyed.

We have written the past and present chancellors of West Germany but have received no answers. We have met with the West German Consulate in Los Angeles and they have not been any help.

Now we are looking to you, Mr. President, to intercede with the West German government on behalf of Lester Weinstock. We need your help to receive justice for Mr. Weinstock and his family.

If you would like further information you can contact Senator Alan Cranston, Representative Howard Berman, or State Senator Alan Robbins since they are all acquainted with and supportive of Mr. Weinstock's case.

Sincerely,

Rev. Neal R. Keller

Case #514-552-WG 2209

Dear Mr. Hermes:

I am writing on behalf of Lester Weinstock in regard to his case and my involvement in it.

A meeting with Consulate General of the Federal Republic of West Germany, Mr. Heinz F. Lewalter, took place on Friday, July 16, 1982 on your request as per your letter dated May 19, 1982.

Present at the meeting besides the embassy staff were Dr. Daniel Goldberg, Lester Weinstock, and myself. During the meeting we were given the impression that a favorable solution, although difficult to affect, could be reached in Mr. Weinstock's case. We were told that within two months we would receive an answer in regards to the case.

After waiting more than four months we were informed that no action could be taken on Mr. Weinstock's case. The reasons given have been consistent with the stonewalling Mr. Weinstock has received over the last twelve years.

The official reply was that since Mr. Weinstock was not a survivor of the holocaust himself he could not receive any remuneration for his suffering. Other reasons stated for no action taken on the case were: The case is beyond the statute of limitations for cases of this nature, and the German government operates according to statutory law which binds the government to act only according to the legal requirements of the law and therefore there can be no exception made to the law.

Our reply was that all of Mr. Weinstock's family and relatives were killed by the Nazis and there is no one left to make a claim on their behalf, except Mr. Weinstock. In regard to the case being beyond the statute of limitations our reply is it took many years for Mr. Weinstock to document his case since

E V E R Y M E M B E R A M I N I S T E R

all his family were killed. Therefore, it shouldn't be limited by the statute due to the unusual circumstances. In addition, Mr. Weinstock did initially bring his case before your government, but was told to acquire more documentation which he so did.

My personal feeling is that justice must be done for Lester Weinstock and although the Federal Republic of West Germany refuses to do justice, Mr. Weinstock's friends will not rest until a solution is reached. If we cannot work within the laws of the Federal Republic of West Germany we will seek other areas and courts to achieve our goals.

Sincerely,

Rev. Neal R. Keller

Dear Mr. Chancellor:

This letter is to respectfully request that your office review the file of Mr. Lester Lipman Weinstock, who is a constituent of mine, with the view toward according him an appeal for compensation of a World War II-related claim.

I understand that, based on the fact of a late filing, consideration of Mr. Weinstock's appeal has been denied. While I agree there is need for regulations, I feel that, in this troubled world climate, in the light of such a loss as Mr. Weinstock's, there may be room for compassion and an exception to be made in the cause of humanity.

I would like to add my request that he be granted this appeal for another hearing.

Thank you for your consideration of this matter and whatever assistance you can provide.

Dear Chancellor Kohl:

I am writing on behalf of Mr. Lester Weinstock. Mr. Weinstock resides within my senatorial district, and over the past years I have come to know him quite well.

Mr. Weinstock is seeking remuneration for the Holocaust, the tragedy which destroyed his family. All of Mr. Weinstock's immediate family and relatives were killed by the Nazis. The sole descendant able to make claims on their behalf is Lester Weinstock.

Mr. Weinstock met with Mr. Heinz F. Lewalter, Consulate General of the Federal Republic of West Germany on July 16, 1982. At that time he was led to believe that a solution could be reached. Unfortunately, we have now received information that this is no longer the case.

Mr. Weinstock approached the West German government many years ago, but was told to provide more documentation relative to his family's demise. Now that he has finally been able to obtain these facts, he is being turned away.

We would appreciate it if you would review Mr. Weinstock's case and see to it that justice is done. Mr. Weinstock's friends will not rest peacefully until a solution is reached.

My best regards.

Dear Chancellor Schmidt:

As Mr. Lester Weinstock's California state representative, I want to add my own personal concerns regarding Mr. Weinstock's claims. Twice in recent years, Mr. Weinstock's claims for compensation for the deaths of his family members at the hands of the Nazis have been denied, as the West German government has set an arbitrary closing date for claims.

I would ask you to reconsider this ruling, for Mr. Weinstock and for countless other victims and survivors of the Holocaust. For the West German government to stop arbitrarily the payment of restitution to those victims of the Nazi horrors would seem to be unfair.

I know that all Americans hold the current West German government in great esteem for its efforts to atone for the Nazi era. In that spirit of atonement, I would hope that the West German government would continue its act of conscience in considering the claims of Mr. Weinstock and the many other uncompensated victims of the Holocaust.

My best regards.

Sincerely,

Dear Mr President;

The world knows that you are the champion of Human rights so that is why I am writing to you to help me in my case with the W. German Government. I am writing to you pertaining to my claim which i filed almost 12 Yrs ago.

The W. German Government does not recognize my claim as being valid and they refused to compensate me for the murder of nine members of my family during world war 2.

I have written to former Chancellor Helmut Shmidt and Chancellor Helmut Kohl. Neither one would help me to obtain Justice for the loss of my family.

At one time I was informed by a staff member of the German Consulate in L.A. that if I want compensation for their crime, I should apply to my Government since the U.S. has frozen German assets from world war 2 and they could help me to get paid out of these funds.

Mr. President, I am in the United States since 1938 and I am an American citizen. If you wish more information about my case your office can obtain the files from Senator Alan Cranston, in Washington and Rep. Howard L. Berman, and Calif. State Senator Alan Robbins.

I expect help from you Mr. President in this Humanitarian Cause.

Sincerely Yours

The Hon. Helmut Kohl.

I am writing in regard to my case. I know that all Americans hold the current W. Germany in great esteem for its efforts to atone for the Nazi era.

In that spirit of atonement, I would hope that you Chancellor as an act of conscience consider my claim and bring an honorable close, with justice, which the former Chancellor Helmut Schmitd failed to do so, because he refused to recognize the crimes committed by the Nazis against my entire family.

The former Chancellor could not judge my case with honor because as a Wehrmacht officer in World War 2, he had never abandoned his oath of loyalty to A. Hitler.

Its up to you Chancellor to take steps necessary to resolve this matter and promote justice to the 11 year case.

Your personal attention to this matter would be greatly appreciated.

Helmut gets rapped

Tel Aviv (Special) — The feud between Prime Minister Menachem Begin and West German Chancellor Helmut Schmidt took on personal overtones last week when Mr. Begin said Schmidt "remained faithful to Hitler until the end" of World War II.

In an interview carried over Israel Radio, Begin said he had no way of knowing what the chancellor had done to Jews while serving in Germany's eastern front during the war, but added: "All I know is that he was in the army that received an order from (Field Marshal Wilhelm) Keitel that when forces enter a city to kill Jews, the army does not kill the Jews directly but surrounds the city completely and maintains order until the forces finish the job."

Begin said he did not know if Schmidt had been a member of the Nazi Party, but said: "He was a good officer, a good fighter in the German army until he was taken prisoner by the British.

"He never broke his oath of allegiance to Adolf Hitler."

Begin lost his parents in a German death camp.

The feud opened following Schmidt's recent attempts to lead the European Economic Community into backing a Palestinian Arab state.

Begin responded by condemning Schmidt's alleged lack of repentance toward the Jews following the Holocaust. He also said he held the entire German people responsible for the tragedy.

The West German government called the Begin charges "an insult."

Schmidt

(Continued from Page 1)

Begin also implied that Schmidt may have been a Nazi and claimed that in any event, as a Wehrmacht officer in World War II, he had never abandoned his oath of loyalty to Hitler. Begin claimed the German nation "applauded" the slaughter of Jews when Germany was victorious.

Schmidt's remarks on the Palestinians and the PLO were also sharply criticized by President Yitzhak Navon of Israel and by Foreign Minister Yitzhak Shamir, but in more temperate language.

Schmidt's only reply was to caution his critics to "beware of getting excited. Let us beware of exaggerated polemics but let us also beware of dangerous simplifications," he said.

Bonn government spokesman Kurt Becker refused to comment on the remarks by Israeli leaders,

ISRAEL TODAY

Schmidt did not refer directly to the accusations hurled at him by

But Begin saved his heaviest attack for West German Chancellor Schmidt. Stopping just short of calling Schmidt a Nazi war criminal, Begin said, "He never broke his oath of loyalty (as a German army officer) to the *fuehrer*, Adolf Hitler. And he fought on the Eastern Front. I don't know what he did with the Jews on the Eastern Front. No one can know. The Jews were mainly liquidated on the Eastern Front."

Menachem Begin's response to German Chancellor Helmut Schmidt had been an active nazi. The charge was of course not just unfounded and ridiculous, it was completely, deeply and

Our JCNS writer, Yoram Kessel, comes up with the reasons for Mr. Begin's sharp response to Schmidt. Nowhere in the literature of this incident did Mr. Begin suggest that Schmidt was an active nazi. The Prime Minister noted that Schmidt was with an army that protected the nazis, that surrounded the hovels of the Jews, that knew what was happening and did not revolt against the most heinous crimes in the history of mankind.

Israeli Premier Attacks

TEL AVIV (AP)—Prime Minister Menachem Begin leveled a harsh attack Sunday on France and West Germany for their support of Palestinian rights, and he accused Germany of shrugging off its Nazi past.

In an impassioned speech to his political organization, Begin said West German Chancellor Helmut Schmidt "has already seen how the people of Israel faced doom. He served in the army that would surround the towns until the work was finished by the *einsatzgruppen*."

The *einsatzgruppen* were Nazi units assigned to exterminate the Jews of towns and villages as they were occupied by the German army during World War II. Schmidt

served in the army, but his political enemies have been unable to link him with Nazi actions.
