Dear Mr. Goonewardena:

Thank you for your letter requesting a meeting with the President for former Sri Lankan Prime Minister Sirimavo Bandaranaike. We value our good relations with Sri Lanka and respect the important role played by the Sri Lanka Freedom Party, and by Mrs. Bandaranaike personally, in the democratic life of Sri Lanka.

It appears from your letter that Mrs. Bandaranaike does not have any immediate plans to visit the United States. Consequently, we believe that consideration of a possible meeting with the President would at the moment be premature. If she does decide to visit the United States, I suggest she contact our Ambassador to Sri Lanka, James Spain, with whom she is well acquainted, so that appropriate meetings can be arranged.

Sincerely,

The President,
The White House,
Washington D.C.

Dear Mr President,

I am writing on behalf of the Sri Lanka Freedom Party.

Before I proceed further I would like to introduce myself. My name is Mahinda (Jeff) Goonewardena. I was born in Sri Lanka. From my early childhood my family has been involved in politics and I've always been facinated by it. My grand uncle the late Sir John Kotalawela, was Prime Minister of the Sri Lanka. Now my father is an active member of the Sri Lanka Freedom Party. I was only 16 years old when my father was supposed to give a speech at a gathering of over 100,000 people, unfortunately my father fell ill, suddenly an they were unable to get a substitute speaker I immediately I went up to the Prime Minister and pleated with him to give me a chance to speak on my fathers behalf. He agreed and I was thrilled to have the oppertunity to captivate the crowed with an unprepared speech. Since then my one ambition was to become an active politician.

Calculating (1987)

At present I am a resident of the U.S.A. I have been here over 9 years. I am a small business man in Newport Beach and devoted active member of the republican party.

I have traveled all over the world and met several government dignitaries in many countries. Although I haven't had the pleasure of meeting you, I think you are an outstanding President, and that the Republican party will remain in power for many more years to come.

In July this year I visited Sri Lanka and met with Madam Sirimavo Bandaranaika, former Prime Minister of Sri Lanka and the 1st woman Prime Minister of the world, she served a term of 7 years. Her late husband was Prime Minister for 3 years before he was assassinated.

During my visit with Madam Bandaranaika, We talked about the fact that my father was getting on in years.

She suggested that I return to Sri Lanka and become an active member of the S.L.F.P. When I agreed she appointed me as a candidate for the next election. In the course of our conversation she mentioned to me that she would like very much to have closer ties with the U.S. Although she has been slandered as anti U.S.A. she has always looked up to the U.S. as a great nation to be admired.

Mr President, since I returned to the U.S.A my goal is to invite Mrs. Bandaranaike to the U.S. and set up an appointment for her to visit with you.

Mrs. Bandaranaike knows nothing of this, I am confident that this meeting will be a great surprise and satisfaction for her.

The Sri Lanka Freedom Party is very popular, at a toll that was taken last month in Ceylon it shows that Mrs. Bandaranaike has 90% of the votes. My wish is to have her visit with you as the leader of the Sri Lanka Freedom Party and be accepted before she becomes; President.

Mr. President I will assure, if the S.L.F.P. comes to power I will make sure that the U.S.A. will be promoted as a great country.

Please do not throw this letter away, I am looking forward to hearing from you soon.

Thank you for your time.

Dear Mr. Goonewardena,

I am glad that you decided to join the S.L.F.P. I am enclosing herewith the receipt and the membership card.

We expect you to come back to Sri Lanka as discussed with us and become an active member of the Party. We need young and energetic people to carry forward our Party and its policies. I am sure you can be of great help.

While you are in the States I hope you will do what you can to clear any misunderstandings some sections of the people may have about our Party and its policies and programme.

I am sending herewith a copy of our programme, prepared and published one year ago based on our Party's policies.

Thank you for the assistance given to the Party.

With best wishes,

Yours sincerely,
