OSD invited to meeting, but did not attend nor send follow-on paper. Palmer was told they would be there and thinks it may have been an administrative rather than substantive foul-up. We could send OSD a copy for review, or you could call them.

Bud,

Recommend you select alternate
to second recommendation. See
Ken's memo at back.

Bob K. should send State
paper to OSD for comment.

MEMORANDUM

NATIONAL SECURITY COUNCIL

~~SECRET/SENSITIVE~~

August 8, 1983

MEMORANDUM FOR MR. CHARLES HILL
Executive Secretary
Department of State

DECLASSIFIED IN PART

NLR 748-25-29-8-1

BY 6077 NARA DATE 6/1/83SUBJECT: Strategy Paper for Negotiations with the Soviet
Union on the Establishment of Consulates in Kiev
and New York

We have reviewed the strategy paper transmitted by your memorandum of August 5, 1983, and approve it with the following stipulations:

1. If the old building site is available, it should be accepted. If it is not available, we should insist on a site equally or more advantageous, and at no greater cost, than the one previously selected.

2. The staffing level should be set according to our needs and the Soviets granted a quota in New York of an identical number. On the latter point, there seems no need to negotiate a reciprocal agreement. A clear statement of U.S. policy in regard to issuance of visas (such as was used in establishing a quota for the Soviet consulate general in San Francisco) should suffice.

3. Inasmuch as the Soviets own the building in New York that they will use for their consulate general, we should insist upon long-term lease arrangements at a reasonable rent for our building in Kiev. Legal wording has been developed and accepted for some properties in Moscow and Leningrad which provides adequate long-term protection while conforming to Soviet law. Such arrangements would be acceptable, so long as the long-term commitment is clearly established, and there is adequate protection against arbitrary or excessive rent increases.

4. Before deciding on the final staffing pattern in Kiev, a careful study of the feasibility of operating the consulate without local employees should be made. Since it is highly desirable to reduce our dependence on local employees in the USSR, we should look for innovative ways that this can be done, and perhaps use Kiev as a pilot project. A study of this question should be done and forwarded to the NSC for review by September 30.

Declassified No Objection To Declassification in Part 2013/06/03 : NLR-748-25-29-8-1

The Department is requested to proceed with the negotiation of this question on the basis of the negotiating plan submitted, incorporating points 1-3 above. The clarification of points 4 and 5 can proceed while negotiations are in progress since determination of the final staffing level can be deferred.
