THE WHITE HOUSE

WASHINGTON

MEETING WITH CONGRESSMEN BOB MICHEL (R-ILLINOIS), TRENT LOTT (R-MISSISSIPPI), SILVIO CONTE (R-MASSACHUSETTS), DELBERT LATTA (R-OHIO), AND BARBER CONABLE (R-NEW YORK)

Date: Thursday, March 15, 1984
Location: The Cabinet Room
Time: 10:00 a.m.

From: M. B. Oglesby, Jr.

I. PURPOSE

To permit the Republican leaders to brief the President on the status of House Republican deficit reduction efforts, and to give the Administration an opportunity to relate to the House Republican leaders their activities to put together a package.

II. BACKGROUND

On Monday, March 12, 1984, the President met with Republican leaders to discuss deficit reduction efforts. Since that meeting, the House Republican leaders have met with House Republicans to obtain their recommendations for a deficit reduction package.

These meetings have produced no clear consensus on what should be done or how it should be accomplished. There is general agreement that Republicans should develop a positive proposal, but there are divergent views as to the appropriate components of such a package. Bob Michel, the Republican Leader, will meet with House Republican Members of the Budget Committee on Thursday, March 15, 1984, to discuss various recommendations provided by Members.

The Republican leadership continues to feel it is important to have Republican unity on a deficit reduction package so they can effectively counter a Democratic budget proposal. It is still likely that the House Budget Committee will begin to mark up the First Budget Resolution the week of March 19, 1984.

SUGGESTED TALKING POINTS FOR MEETING WITH
NATIONAL ALLIANCE OF BUSINESS EXECUTIVE BOARD

-- Hello David (Roderick), sorry to interupt your meeting. I can't believe another year has passed since the NAB Board has been here.

-- I know Secretary Donovan will bring you all up to date on what we've been doing so I won't take up a lot of your time.

-- I would like to thank the National Alliance of Business for your work on behalf of the Administration. With unemployment on the decline, your efforts are paying off.

-- I'm looking forward to another successful program for Summer Jobs for Youth. I know the NAB loaned executives are working with the Private Sector Initiatives staff to have businesses hire more youth than last summer. I'm confident this will happen.

-- Keep up the good work and thanks for allowing me to say hello. Now we both have to get back to work.
