DISPATCH SEP 20 1983 W/ATTCH FILE (C)

THE WHITE HOUSE
WASHINGTON

September 20, 1983

Dear Mack,

I understand that the Conference of the Military Construction Subcommittees will meet tomorrow to decide the fate of our FY-83 program for Ras Banas. I know that Cap Weinberger and George Shultz have made a strong case for the Senate version of the FY-84 bill and for retaining the \$55 million recommended by your Subcommittee. I want to add my support to those who have argued for retention of these funds. Put simply, Ras Banas is a unique and ideally located base which would be of great value to us in a Persian Gulf contingency.

The President has been briefed on the strategic value of the proposed staging facility and Ras Banas and he attaches great importance to our holding up our end of this joint venture with the Government of Egypt. I know he would appreciate your continued support of our position.

Sincerely,

William P. Clark

THE WHITE HOUSE
WASHINGTON

September 20, 1983.

Dear Congressman Hefner,

On the eve of the Conference of the Military Construction Subcommittees, I would like to enlist your support in protecting at least \$55 million of the FY-83 MILCON appropriation for Ras Banas.

This program, which was initiated during the last Administration, is very important to the success of our current efforts to upgrade our military readiness for contingencies in the Persian Gulf area. It is also very important in maintaining the momentum in U.S.-Egyptian strategic cooperation. The recent decision by the Government of Egypt to obligate \$49 million of its own funds towards improvements at Ras Banas demonstrates the importance which that government now attaches to this facility.

I hope that in light of the recent decision by the Government of Egypt that your Subcommittee will reconsider its earlier action and join with the Senate Subcommittee in protecting our future access to this critical facility.

Sincerely,

William P. Clark

The Honorable W.G. (Bill) Hefner
