SAN FRANCISCO

The delegates arrived ...

Security was tight ...

The press outnumbered the delegates 3 to 1, and at times seemed hard-pressed to find a story ...

Print journalists were not accorded the same privileges as those in the electronic media ...

"IF YOU'RE NOT WITH A NETWORK, BOY, YOU HAVE TO BE OFF THAT FLOOR IN THIRTY MINUTES!!..."

There were numerous groups outside Moscone Center protesting just about everything ...

SAN FRANCISCO

Former President Jimmy Carter received a less than enthusiastic reception by his party...

The streets of San Francisco are filled with, uh, 'people' who are not exactly the types you will see down at the mall...

There are still a few aging hippies wandering around, lost in a time warp...

Finally, Mondale was nominated, and the Democrats set out to convince the voters that there is a mess in Washington, and they know how to clean it up...
