MEMORANDUM FOR AL

FROM: KIMW

RE: Convention Thank You Taping

I just called Mark Goode, who is putting together the one-hour tape of convention highlights that this spot will close. He was planning to put together some talking points, but not till tomorrow. So instead, we talked about the taping and here is roughly what he's looking for:

Thirty to forty seconds worth of the President thanking all those who worked so hard to make the convention such a success;

Thanks to the city of Dallas, the convention executives and officers, the Republican Party officials, members of the Republican National Committee, and members of the Committee on Arrangements;

Something to the effect that it was a memorable 4 days and that he was pleased with the convention. That it served as a successful launching pad for his reelection efforts and perhaps some reference to the next four years.

The tape will go out about Christmas time to 700-1,000 GOP officials and convention officials.

You can reach Mark Goode this afternoon at 524-1083 or tomorrow at 466-2616 (his office #) if you have any questions or want to just run it past him.
