II. BACKGROUND

Arthritis is the most common chronic disease in America, in addition, it is the number one crippling disease in our country. It affects 36 million Americans including as many as 250,000 children. There are more than 100 forms of arthritis.

The Arthritis Foundation is the only National Voluntary health agency working with arthritis. It conducts programs of research, patient services and education. It receives no Federal funds, relying entirely upon contributions from individuals and corporations.

TALKING POINTS FOR MEETING WITH THE ARTHRITIS FOUNDATION'S POSTER CHILD

- Welcome to the White House and thank you for joining us here today.
- Victoria, you are to be commended for your efforts on behalf of the Arthritis Foundation. Your role as National Campaign Chairman is probably one of your most meaningful roles.
- Amy, acting as representative of all the Americans with arthritis is a pretty big job for a first grader. I hope you still have enough time for reading and painting. My staff tells me those are your favorite things to do.
- Mr. and Mrs. Smith, you are also to be commended for the excellent job you are doing. Amy reflects the love, devotion and hard work of parents who really care for her.
- Thank you for this hourglass. It is really symbolic of the fact that it is time we "took arthritis seriously".
- Thank you for coming in today. I wish you well in your campaign this year.

OLYMPIC COIN CEREMONY

DATE: May 21, 1984
LOCATION: Rose Garden
TIME: 11:30 A.M.

FROM: CRAIG L. FULLER

I. PURPOSE

To increase the public's awareness of the Olympic Coin Program and the need to raise funds to help our athletes meet the challenge of international competition.

II. BACKGROUND

The Olympic Commemorative Coin Act, signed into law in July 1982, authorizes the Department of the Treasury to mint and sell gold and silver coins commemorating the 1984 Summer Games. The three coins minted are a 1983 silver dollar, a 1984 silver dollar, and a 1984 ten dollar gold coin.

The Act stipulates that a surcharge of \$10 from the sale of each silver coin and \$50 from each gold coin be divided equally between the United States Olympic Committee and the Los Angeles Olympic Organizing Committee. This financial support provides for the training of our American athletes, their travel to the Games, and other expenses that help achieve the goal of Olympic excellence. In addition, it will help our young athletes prepare for future Olympics. To date, this program has contributed over \$31 million to the Committees. Your participation will help to promote Treasury's marketing theme, "Support the Home Team."

III. PARTICIPANTS

Secretary Regan; Katherine Ortega, U.S. Treasurer, Donna Pope, Director of the U.S. Mint; Col. F. Don Miller, Executive Director of the Olympic Committee; Melissa Belote Hamlin, Director of the East Coast Olympic Spirit Team and winner of 3 gold medals in 1972; Frank Maseley, United States flag bearer at the 1984 Winter Olympics at Sarajevo, Yugoslavia; and appropriate Members of Congress.

IV. PRESS PLAN

White House Press

- Secretary Regan will make brief remarks and hand you the first strike 1984 gold coin.

DATE: Monday, May 21, 1984
LOCATION: The Rose Garden
TIME: 1:30 p.m. (15 minutes)
FROM: M. B. OGLESBY, JR. 

I. PURPOSE

To sign H.R. 3635 (Sawyer, R-Mich., et. al.), the Child Protection Act of 1984, strengthening prosecuting authority for child pornography, and to announce the formation of a national commission on pornography.

II. BACKGROUND

H.R. 3635 is the only Republican sponsored crime related legislation to clear the House Judiciary Committee and to be enacted by the 98th Congress. The principal sponsor is retiring Representative Harold Sawyer, (R-Mich.). The prime Senate advocate is Senator Arlen Specter (R-Pa.).

The bill strengthens prosecuting authority, creates stiffer penalties and extends investigating capability with respect to production and distribution of pornographic materials involving children 17 years of age or younger.

Additionally, six Members of Congress wrote to the President on March 22, 1984 urging the creation of a National Commission on Pornography to address the growing impact of this problems on victims, especially families, children and women. Subsequent meetings with the White House, Office of Policy Development, Department of Justice and Congressional advocates have produced an agreement on the formation of a National Commission on Pornography, which the President will announce at the ceremony.
