SUBJECT: Economic Measures We Might Take

Your very interesting memorandum on this subject to the President has stimulated some rethinking within the community as we prepare for next week's NSC meeting on Libya. Action officers from the various agencies have begun a revision of the paper to include much of what you propose. A new paper will be circulated prior to the NSC meeting. We will, of course, forward your memorandum in the package for the President for that meeting.

MEMORANDUM FOR THE HONORABLE WILLIAM P. CLARK
ASSISTANT TO THE PRESIDENT FOR
NATIONAL SECURITY AFFAIRS

FROM: Marc E. Leland *[Signature]*
Assistant Secretary
International Affairs

SUBJECT: Libyan NSC Meeting

We have just learned that Libya will be the subject of an NSC meeting next Thursday. Unfortunately, Secretary Regan will be out of town until Monday, February 22. (Q)

I had hoped to receive the State paper before he left. We have still not received anything new from the State Department and, with Monday a holiday, the earliest we will get a paper to comment on will be Tuesday. I, therefore, am sending the attached reworked version of the original State paper which I thought might be helpful in preparing your final document.

We have tried to keep as much of State's original language as possible. The sections marked in red are the new language. We have replaced the old sections five and six with a new section five, keeping as much of the old language as possible but adding issues of primary importance to Treasury.
