THE WHITE HOUSE

WASHINGTON

January 11, 1983

MEMORANDUM FOR FRED F. FIELDING

FROM: JOHN G. ROBERTS *JGR*

SUBJECT: Correspondence from H.F. Kimmel  
to the President

H.F. Kimmel of Texas has sent numerous legal-looking documents to the President, asserting several things, most prominently that the Sixteenth Amendment, authorizing taxation without apportionment, is invalid (would that it were so) and that William Howard Taft, who held office during the ratification of the Sixteenth Amendment, was improperly inaugurated President. Taft was born in a state from the Old Northwest Territory, whose constituent elements, according to Kimmel, were improperly admitted as States, and Taft was therefore never a citizen of the United States.

I recommend no response.

To The Honorable President of the United States of America  
Mr. Ronald Reagan  
The White House  
1600 Pennsylvania Avenue  
Washington, D.C. 20500

Mr. President:

<sup>1</sup>  
Pursuant: To U.S.C. Title 42, Section 1986;

<sup>2</sup>  
You are being made aware of the potential remedies of which you are vested with; but have not implemented, which makes it a comparatively simple formula to rectify and abolish these heinous, nefarious schemes, that has the United States, and the world, in their grasp.

The United States Constitution Article 1, Section 1, to wit:  
All legislative powers shall be vested in a Congress of the United States, which shall consist of a Senate and House of Representatives.

<sup>3</sup>  
Article II, Section 1:  
Clause 1: The executive power shall be vested in a President of the United States of America, etc.  
Clause 7: Before he enters on the execution of his office, he shall take the following oath or affirmation:

<sup>5</sup>  
"I do solemnly swear (or affirm) that I will faithfully execute the office of President of the United States and will to the best of my ability, preserve, protect and defend the ~~Con~~-stitution of the United States."

<sup>4</sup>  
Article II, Section 3: Contextual Form.  
He shall from time to time give to Congress information of the State of the Union, [(the state of the Union is pursuant to) Article 1, Section 8, Clause 5, to wit, to coin money, regulate the value thereof, and of foreign coin, and fix the standard of weights and measures]. This the President has not done, but is leaving this in lieu of an artifice that violates U.S.C. Title 18, Section 1341; this artifice was brought about by President Howard Taft, who was a citizen of Ohio, and Ohio was not a State of the United States of America at that date and may not technically be now.

The President  
The White House  
Washington, D.C.

After President McKinley, who was also a citizen of Ohio, as was also President Garfield.

Both Garfield and McKinley were assassinated.

President Theodore (Teddy) Roosevelt was vice-president to President McKinley.

After President McKinley was assassinated, Teddy Roosevelt became President.

Teddy Roosevelt employed Howard Taft, a citizen of Ohio.

2

Ohio was never a territory of the United States of America, but was likened to Old Mexico on the south of the United States of America.

3

Pursuant to: Article 6 of the Northwest territorial government the United States Congress assembled the 13th day of July, in the year of our Lord, 1787, recognized the sovereignty and independence the twelfth: [of the Northwest Territorial Government].

4

On August 7, 1953, the Senate and the House of Representatives of the United States in Congress assembled and passed a resolution and dubbed it Public Law 204;

5

This act violated United States Constitution Article 1, Section 9, Clause 3; United States Constitution, Article 1, Section 10, Clause 1.

6

President Howard Taft illegally served as President of the United States of America. This was from March 1909 to March 1913, and was defeated by Woodrow Wilson. During Howard Taft's illegal tenure in office, the ground work was laid to impose the illegal Social Security agreements and an authorization document on the citizenry and when it was put in effect February 25, 1913 it was dubbed the 16th Amendment to the United States Constitution and for years, from February 25, 1913, it was declared in a proclamation of the Secretary of State to have been ratified by 36 of the 48 states.

7

This 16th Amendment came into being under an illegal President, Howard Taft, and is in gross violation of the Articles of Confederation; specifically Article XIII.

8

The 16th Amendment was rejected (and not subsequently ratified) by Connecticut, Rhode Island, and Utah.

Article XIII, to wit:

Every state shall abide by the determinations of the United States in congress assembled, on all questions which by this confederation are submitted to them, and articles of this confederation shall be inviolably observed, by every **state**, and the Union shall be perpetual; NOR shall any alteration at any time hereafter be made in any of them; UNLESS such alteration shall be agreed to in a Congress of the United States, and be afterwards confirmed by the legislatures of EVERY STATE.

## UNITED STATES CONSTITUTION

### ARTICLE VI

Clause 1: ALL DEBTS contracted and engagements entered into, before the adoption of this constitution, shall be as valid against the United States under this constitution, as under the confederation.

2

Clauses 2 and 3: Sets forth that all public officials of the Federal Government and all the public officials of every State and their ancillary employees are bound by this United States Constitution. December of 1913 the members of Congress both Houses had bills before them that they had not resolved. One of these bills was supposedly a bill affecting the distribution of the monetary supply.

1

These members of Congress both houses had not agreed on anything substantial, and some of them lived considerable distance from Washington, D.C. and many of them agreed upon an artifice, THAT THEY COULD AND WOULD AND DID LEAVE THEIR VOTES AS A PROXY and agreed to recess Congress instead of adjourning and reassembling after the holidays. Then more and more of the members of Congress began to leave for home.

5

On December in the week before Christmas, when there was not enough for a quorum to transact business as usual in the United States in Congress assembled, these proxy votes were put on record as having voted for this artifice.

6

Then this representative of the Rothschild Banking Cartel late on the night of December 23rd, 1913, when everyone was in a festive mood and possibly inebriated, presented this illegal document to President Woodrow Wilson for his signature. Woodrow Wilson turned to the individual that had piloted this artifice

through both houses of Congress and had used the nefarious schemes to accomplish this dastardly deed that was taking place, which was to violate the United States constitutional form of government and to lay the groundwork for the wasting of the United States citizens and eventually destroy the greatest nation the world has ever known.

1

From 1913 when this so dubbed 16th Amendment was dubbed to have become an amendment to the United States Constitution and has been used to rape the United States through illegal taxation by the I.R.S. who in truth and in fact was operating under the auspices of the Federal Reserve Bank. at least they, the Federal Reserve banksters, claim they are setting the money policies of the United States of America. The Federal Reserve Bank is a privately owned institution and they obtained their contract that President Woodrow Wilson signed with them and are in violation of U.S. Title 18, Section 218. It also violates United States Constitution Amendment's 1, 4, 5, 9, 14.

2

United States Constitution Articles I, IV, and VI and the Articles of Confederation, specifically Article XIII.

3

Article 1, Section 8, Clause 6: *Annotated*

And the Federal Reserve Banksters are circulating spurious (counterfeit) money.

And the members of Congress both houses are aiding and abetting the enemies of the United States by permitting this spurious money to be printed by the United States printing presses and practically giving it to the Federal Reserve Banking Cartel, then borrowing it back at face value at exorbitant interest rates.

The effects are enslaving the United States citizens.

The members of Congress both houses have addicted themselves and are forcing this addiction and affliction on the United States citizens.

3 (a)

The members of Congress both houses are operating under an artifice and are blatantly, flagrantly, with wanton disregard for the inviolable provision of the Articles of Confederation specifically Article XIII; and the United States Constitution Article VI and Article IV, amendments 1, 4, 5, 9 and 14.

4

Mr. President, it is your responsibility to implement U.S.C. Title 18, Section 218 and regain all this illegal interest, etc., and re-establish our constitutional monetary supply and eliminate this element that has been and still is wasting the United States that has been so good to them.

1

On November 3, 1977 Peter W. Rodino ordered to be printed House Document No. 95-256, Stock Number HCL-871-00145-7 which specifically sets forth there has never been a 16th Amendment to the United States Constitution.

2

This so dubbed 16th Amendment is an act in violation of U.S.C. Title 18, Section 1341, and United States Constitution Article 1, Section 9, Clauses 3 and 4.

3

The members of Congress both houses are operating under artifice or artifices and are flagrantly, blatantly, and with wanton disregard for the oath and/or affirmation, they had to take before they enter on the execution of the duties they were elected to perform for their constituents.

4

They have and are daily committing violations against United States Constitution Article 1, Section 10 and Articles IV and VI U.S.C. Title 18, Sections 2, 241, 242, 872, 1341 and 1621 and have disfranchised the United States citizens from their inheritance to their legal money supply. The members of Congress both houses and the Presidents, including Woodrow Wilson down through Jimmy Carter, and if you, Mr. Ronald Reagan, do not implement your executive powers and implement U.S.C. Title 18, Section 218 and nullify this agreement Woodrow Wilson illegally signed with the Rothchild Banking Cartel; it is known as the Federal Reserve Bank in these United States of America, and reclaim the monies this Federal Reserve bank, with the contrivance with the Presidents and the members of Congress both houses in the yesteryears. These yesteryears as referred to in this document I believe to be an era of time of stark idiocy.

5

For a nation of people, citizens of the nation of promise; and the greatest nation the world has ever known or will ever know; to stand by and permit themselves to become so deceived that they have become blind to the fact that we have cast our pearls before swine.

6

As the members of Congress both houses have and are daily following a policy which was designed to destroy the great United States of America which is or was the greatest bastion of freedom the world has ever known, and the only nation in the world that has such a constitution and this constitution is ordained pursuant to 1st Chronicles, 17:9, Galatians 3:19. The Declaration of Independence, and the Articles of Confederation and secured to "We the people" the true government of these United States of America for we the people to govern ourselves.

The President  
The White House  
Washington, D.C.

- Page 6 -

January 7, 1982

Pursuant to Article 1, to wit: All legislative powers herein granted shall be vested in a Congress of the United States, which shall consist of a Senate and House of Representatives.

2

The members of these aforementioned legislative powers in 1909 violated their fiduciary and/or judiciary duties and the members in the ensuing years from 1909 have adopted a policy of continuing the dastardly deeds in a continuity to and blindly follow these nefarious schemes as they unfold (or are unfurled).

3

When [pursuant to] the United States Constitution Article II, Section 1, Clause 4, Congress permitted the electoral college to elect an unqualified person, Howard Taft, to become President of the United States of America, the members of Congress both houses began to erode the United States constitutional form of government, and began the erosion of their credibility.

4

It is stark idiocy to impose these nefarious schemes, to violate the sovereignty of these great United States of America.

5

I believe for the United States to have regressed to such a degree of depravity, I believe these heinous, and nefarious schemes, had to be conceived, concocted, designed, fabricated, constructed, and executed by depraved people.

6

There is no way anything good can be built from something evil.

7

Reuben, the eldest son of Jacob, lost his birthright because he defiled Jacob's couch and was the natural father of Dan. This caused Jacob to adopt Joseph's (because he was blameless) two eldest sons. [From whence came the stone, (Manassan) the shepherd of Israel].

8

King David was not permitted to build the temple because he was treacherously responsible for the death of a young man. King David's son, Solomon, inherited the building of the temple because of King David's transgressions.

9

Pursuant to 1st Chronicles 17:9 the children of wickedness have and are wasting the United States. The love of money is the root of all evil.

The President  
The White House  
Washington, D.C.

Page 7

January 7, 1982

1  
Before the United States, which is the promised nation, the nation of promise, shall prosper again this spurious (counterfeit) money has got to go, as this is wickedness.

2  
Mr. President, Ronald Reagan, as this is a counterfeiting artifice which violates U.S.C. Title 18, Section 1341, and with a stroke of a pen you can rectify the state of wickedness by implementing U.S.C. Title 18, Section 218.

2  
Mr. President, this spurious money situation is a cancerous growth, and malady, and has got to be routed out, and pursuant 1st Chronicles 17:19, this will happen.

3  
Why not now before the erosion becomes so widespread and more suffering and discomfort and agony become rampant throughout the United States as defined in U.S.C. Title 18, Section 7.

4  
To ascertain from whence descended the children of wickedness, read Genesis Chapter 49, verses 1, 2 and 5.

January 8, 1982

To The Honorable President of the United States of America  
Mr. Ronald Reagan  
The White House  
1600 Pennsylvania Avenue  
Washington, D.C. 20500

Mr. President:

Pursuant: To the unconstitutional Social Security Agreements  
specifically Chapter VII

The love of money being the root of all evil and the author  
and/or authors of these International Social Security Agreements,  
have proven to be public enemies both foreign and domestic; to  
"we the people", the true government of the United States of America.

And these International Social Security Agreements came from  
foreign country and/or countries and were signed in the United States  
in 1913 deceitfully; and supposedly under the auspices of United  
States Constitution Article 1, Section 8, Clause 8.

This violated United States Constitution Article VI and Arti-  
cle IV.

Pursuant: To Article IV

To Witt: The Congress may be by general laws prescribe the man-  
ner in which such acts, records and proceedings shall be proven, and  
the effect thereof.

The effect thereof has proven these International Social Secur-  
ity Agreements to be an artifice and violates U.S.C. Title 18,  
Section 1341 and as these agreements and as the members of Congress,  
both houses, because of their avariciousness (this is pursuant to  
the documented evidence on pages 71, 72, 73 and 75 of the International  
Social Security Agreements) have permitted themselves to be succored  
into the position that it is necessary in order to try to protect  
themselves; and the nefarious and often very heinous schemes they  
have had to implement-as-a-continuity policy of daily creating  
artifice after artifice.

The consequence of these hereinmentioned events and happenings  
have and do necessitate the members of Congress, both houses; and  
the President, if the President will or does fall into this pit  
with them; and many, many yeateryears the Presidents have done just  
that. And have upheld the artifices, the members of Congress have

imposed on "we the people," and in the course of the events and happenings some of the Presidents have imposed some of their own concocted, designed artifices on "we the people."

To violate U.S.C. Title 18, Section 1341 violates U.S.C. Title 18 Section 1621 "perjury".

Hence the members of Congress and the Presidents of the yesterdays, have implements, artifices that requires, and requires a large array of illegal employees when it is necessary to establish or try to establish a dynasty that will assure them of being reelected to office year after year.

Hence this illegal taxation of salaries. As it is illegal to tax labor, without labor there is no wealth.

The business people and/or the rich people have the money to employ lawyers and etc. that are knowledgeable of their rights.

Hence the members of Congress and the President for many yesteryears and of this date are implementing these illegal taxes and are using the aged, the disabled and the working people as a prey to be preyed upon.

Pursuant: To the documented evidence on Pages 71, 72, 73 and 75 in the International Social Security Agreements the members of Congress, both houses, are vulnerable to the public, domestic and foreign enemies of the United States Constitutional form of government.

And these public, domestic and foreign enemies <sup>know</sup> the ways and means to manipulate these public officials into imposing just about any artifices that are necessary to accomplish the desired effect to bleed the monetary funds to implement the laboring and/or salaried individuals to fund the necessary artifices necessary to keep the masses of people under the influences of these ruthless task masters that are bent on establishing a one world government to conform to "The Tripartite Advisory Committee" as documented on page 53 of these illegal International Social Security Agreements that were signed in 1913.

On pages 72, 73 and 75 of these herein illicit mentioned agreements among other revelations that the arrangements referred to in Article VII, Paragraph 1, of the said agreement shall be made by the United States only in conformity with provisions of statute" (there is no provisions of statute) that the protocol of exchange can violate the sovereignty of the United States of America.

But this is exactly what (Pursuant: To "theorized" that because treaties have a force of law equal to that of other laws, this is an artifice in violation of U.S.C. 1341 and has no equity or merit  
*title 18. SEC. 1.*

with the United States Constitution Article VI which establishes the fact that the United States Constitution is the supreme law of this United States *of America* ). The Senate as they claim to have exclusive authority over this artifice: but the social security is not according to the provisions<sup>of</sup> statute: but because it is a source of revenue, the Senate and House of Representatives, are involved in these artifices.

These artifices are the most gigantic numbers racket, which have and are foistering the most gigantic extortion (in violation of U.S.C. Title<sup>18</sup> Section 872) and laundered-money racket the world has ever known.

When the Social Security Funds are illegally collected because of artifices circulated with malice aforethought.

These funds are deposited as a communist fund, supposedly in the United States Treasury and classified as unappropriated funds.

Pursuant: To U.S.C. Title 7, Section 322 and in many other titles and sections, the unappropriated<sup>d</sup> funds are appropriated every year. *in violation of U.S.C. title 18 sections 663 and 664 and 1954*

Hence the phrase laundered money.

Respectfully yours,

*H. F. Kimmel*
