Mr. J. Neil Reagan  
Box 413  
Rancho Santa Fe, CA 92067

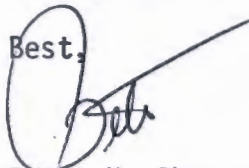

Dear Neil:

It was indeed delightful to visit with you again during a recent flight from St. Louis to San Diego. As I told you on the plane, I had written your brother a letter asking him for a pair of the President's Seal cuff links in return for the Golden Bear cuff links I had given him back when he was running for Governor at a fund raising dinner here in San Diego. The letter never reached Ron and some secretary replied that they were out of cuff links.

It is not a great big thing but I would cherish the chance to wear the President's Seal as I already have another pair of Golden Bear cuff links for California. Either way, it was great to see you and I'm glad we had such a nice flight from St. Louis to God's country, San Diego.

Now my very best to you and your wife.

Best,

Peter N. Choconas, CLU

AUGUST 31 1982

Dear Senator Dole:

The Assistant to the President, Kenneth M. Duberstein, has asked the State Department to write you concerning the gracious offer by Mitsugi Ohno of his Himeji Castle sculpture as a gift from the President to the Prime Minister of Japan.

At this time no meeting between President Reagan and Prime Minister Suzuki is scheduled but we shall keep your excellent suggestion in mind for future meetings of the two leaders.

The President's gift officer, Nina Wormser, keeps a file of gifts that have been offered the President for his use as gifts to foreign heads of state and government. Mr. Ohno may, if he so desires, send to Ms. Wormser, Office of Protocol, Department of State, a picture and description of the sculpture for her gift file. I have passed to Ms. Wormser your and Professor Meloan's letters of suggestion.

Thank you for bringing to our attention the spectacular work and generosity of Mr. Ohno. Should a meeting between the President and Prime Minister Suzuki be scheduled we will be sure to remember your recommendation.

Sincerely,

  
Powell A. Moore

Dear Senator Dole:

Thank you for your August 5 letter enclosing correspondence and photographs from Professor Clifton E. Meloan of Kansas State University. In his letter Professor Meloan suggested that Mr. Mitsugi Ohno's glass sculpture of the Himeji Temple be considered for a gift to the Japanese Premier should he meet with President Reagan in coming months.

I appreciate your interest in forwarding this offer, and I will be pleased to contact the appropriate officials on your behalf. I have suggested that they be in touch with you directly should any additional information be necessary. In the interim, please know that this thoughtful gesture is receiving careful consideration.

Dear Ken:

Enclosed is a letter and photographs from Professor Clifton E. Meloan of Kansas State University in Manhattan, Kansas, with a proposal which may be of interest to President Reagan.

Kansas State is the home of Mitsugi Ohno, a well-known glass blower. Mr. Ohno has created a number of remarkable glass models, including a model of the U.S. Capitol Building presently on display at the Smithsonian.

Mr. Meloan suggests that a recent model of the Himeji Temple in Japan might be an appropriate gift for the Japanese Premier should he meet with President Reagan in coming months. Mr. Meloan's letter outlines his idea in greater detail.

I hope you will keep this offer in mind and let me know if President Reagan wishes to make a gift of the Himeji Temple. Thank you for your assistance.

Sincerely yours,

Senator Robert Dole  
The United States Senate

Dear Senator Dole,

This is in regards to two glass art objects made by Mr. Mitsugi Ohno, Kansas State University's glass blower (photos enclosed) whom you met during one of your visits to Manhattan. Mr. Ohno has asked me to be his spokesman in this matter and he wants to work with you because he trusts you and respects your judgment.

To refresh your memory - he made the U.S.S. Constitution "Old Ironsides" and gave it to Mrs. Eisenhower. He gave former President Nixon a glass model of Independence Hall and he gave the United States his glass model of the U.S. Capitol Building for its two hundredth birthday. It is on display at the Smithsonian Institution.

He would like to present the model of the White House to President Reagan but we have been told there is no room for it at the White House. That is a standing offer if the situation should change.

The second work of art is the Himeji Temple in Japan where the Samurai warriors trained. It was featured on the T.V. mini-series - Shogun.

In the normal course of events when the President of one country visits another there is an exchange of gifts. In all probability either President Reagan will visit Japan during his presidency or the Japanese Premier will visit the United States.

Mr. Ohno would like to offer the Himeji Temple to the President for such a gift. It would be unique, as there is nothing in the world to match it. It is very well done, it is readily recognizable by all Japanese citizens, it was made by one of their people who is now a U.S. citizen, and it would not cost the government any funds.

It would seem to be an excellent gift - from the people of the United States to the people of Japan.

Page 2  
Senator Robert Dole  
July 27, 1982

Both of these works of art are finished and will be on display at Kansas State University. They would be immediately available should President Reagan decide to accept Mr. Ohno's offer.

If there are any questions please feel free to call me at 913-532-6682 (my office) or leave a message at 532-6665 (Chemistry Dept. office) and I will return the call promptly.

We thank you for your time and consideration on this matter.

Subject: Proposed Message from Mrs. Reagan to Wife

Mrs. Dulce Figueiredo, wife of the Brazilian President, is in the United States on a private visit August 1-12, and August 19-21. (She will visit the People's Republic of China August 13-18.) Mrs. Reagan met Mrs. Figueiredo during the Brazilian State Visit May 12.

The Department believes a brief message of welcome would be appropriate, perhaps to be accompanied by a small bouquet of flowers.

PRESIDENT REAGAN IS BEING POUCHED TO YOUR ATTENTION. YOU  
SHOULD BE RECEIVING IT SOON. YOU SHOULD ALREADY BE IN  
RECEIPT OF A LETTER FROM PRESIDENT REAGAN TO KING HASSAN  
EXPLAINING THE GIFT.

MRS. ROOSEVELT, CHIEF OF PROTOCOL, WOULD VERY MUCH  
APPRECIATE THIS GIFT TO KING HASSAN BE HAND DELIVERED, IF  
POSSIBLE, BY AMBASSADOR REED.

THANK YOU SO MUCH FOR YOUR HELP IN THIS MATTER. SHULTZ
