

GRIMES, JOHN G.: Files, 1985-1988 – REAGAN LIBRARY COLLECTIONS

Material noted **in bold** within this collection is currently available for research use. If a folder is available for research use it may still have withdrawn material due to Freedom of Information Act restrictions. Most frequent withdrawn material is national security classified material, personal privacy, protection of the President, etc. Any non-bolded folder is closed for research.

The non-bolded folders are subject to Freedom of Information Act (FOIA) requests under the provisions of the Presidential Records Act (PRA).

If you are interested in submitting a FOIA request for access to any of the unavailable records or have any questions about these collections or series, please contact our archival staff at 1-800-410-8354, outside the US at 1-805-577-4012, or email reagan.library@nara.gov.

GRIMES, JOHN G.: Files, 1985-1988

Defense Programs and Arms Control Directorate, NSC, 1985-1987

Defense Policy Directorate, NSC (Telecommunications Director), 1987-1988

Brief Biography

John G. Grimes is a graduate of the University of Arizona. He has done some post-graduate studies at the U.S. Army War College.

Grimes spent four years in the United States Air Force.

Grimes career has been mostly as a civilian within the Department of Defense. In 1985-1988, Grimes was the National Security Council staff expert on secure government telecommunications and maintaining all communications in an emergency situation.

Upon leaving the White House, Grimes worked for the defense contractor, Raytheon.

During the remainder of the 1990s and early 2000s, Grimes served as various Deputy Assistant Secretaries at DOD. Grimes took the oath of office as Assistant Secretary of Defense for Network & Information Integration and Department of Defense Chief Information Officer in a Pentagon ceremony on Nov. 14, 2005. Director of Administration and Management Michael B. Donley, a former NSC colleague of Grimes, administered the oath.

Scope Note

Although Grimes worked in two separate offices, his collection contains material from both of his offices.

The collection consists of three series: **SERIES I: Subject File**; **SERIES II: Chronological Files** ; and **SERIES III: Administrative Matters**.
