

## Reagan Library Topic Guide – National Security Classified Information

Reagan Library topic guides are created by the Library staff from textual material currently available for research use. Material cited in the topic guides come from these collections:

### [White House Staff and Office Collections](#)

White House Office of Records Management (WHORM) [Subject Files](#)

White House Office of Records Management (WHORM) [Alphabetical Files](#).

The folders and case files listed on these topic guides may still have withdrawn material due to Freedom of Information Act (FOIA) restrictions. Most frequently withdrawn material includes national security classified material, personal privacy issues, protection of the President, etc.

### **NATIONAL SECURITY CLASSIFIED INFORMATION**

This topic guide includes material relating to the National Security Strategy Report: NSDD 84 (Safeguarding National Security Information); and Executive Order 12356 (Identifying and Protecting Classified [National Security] Material).
