Memorandum

PRESERVATION COPY

To : The Honorable Ronald Reagan

Date : March 10, 1969

Subject: March 11, 1969
@ 3:30 p.m.

From : Robert J. Keyes

SUBJECT: Picture with Fannie Lyle presenting the first two tickets to the premier of "OLIVER" to Ronald Reagan which will kick off a drive to raise \$50,000 to operate the Glen Elder-Elder Creek Child Care Center in Sacramento.

(Fannie Lyle is the Public Information Officer for the Sacramento Area Economic Opportunity Council, who is spearheading the drive.)

The Center will serve basically underprivileged children in the aforementioned area.

The Glen Elder-Elder Creek Child Care Center project was originally started in 1966 by the Glen Elder Improvement Association (a neighborhood council). Zoning and a lack of commercial property caused numerous delays. All prior hurdles have been alleviated. The building presently occupied was completed last December and accommodates 35 children. However, paving, sidewalk and the play area construction is not yet completed. The center also lacks appropriate funds to provide an adequate staff.

The money raised during this campaign will go toward rent on the building and land, utilities, food, health and dental services for the children enrolled in the program, accounting and auditing, insurance, playground equipment, fencing, paving, etc., and for additional staff to meet the criteria as previously outlined.
