For your information, Mike Cobb has been active in the YR's for several years, and has held several offices in the organization, including Vice President National Committeeman, and now President during 1969. One of the political highlights of his administration was the large number of YR's that turned out, due mainly to Cobb's efforts, in the three state legislative special elections. Cobb has been appointed to head up Senator Murphy's re-election campaign in Santa Clara County.

Memorandum

: GOVERNOR

Date : February 16, 1970

Subject: 2-18 Interview with
Dick Doughty, KRON

From : Paul Beck 

You will be interviewed at 3:30 p.m., Wednesday, February 18, for one half hour by Dick Doughty of KRON-TV, the Chronicle station in San Francisco.

He is producing and hosting a series of prime time, hour-long news specials. The first in this series will be aired in March and will deal with poverty in the Bay Area. The questions you will be asked will generally deal with welfare, your views on the California welfare recipient, the welfare trends and the general view of people from other regions who come to California when they are down and out.

You may inject any general views you have on welfare.

Doughty points out that you are "well known for your defense of Californians' financial trouble while at the same time urging strong self effort on their part."

I think it will be a good opportunity to get across to the people, particularly in the Bay Area, what welfare is costing.
