BACKGROUND MATERIAL - APPEARANCE FOR ASSEMBLYMAN EARL CRANDALL

ISSUES:

EDUCATION: Crandall is currently carrying one of your bills, AB 74, with regard to the x-factor. His bill appropriates \$16.5 million of the surplus earmarked for education, but not spent, for emergency school construction in priority districts particularly hardpressed because of the inability to sell school bonds. However, when the bonds are sold, this money will have to be re-paid.

With regard to campus unrest, San Jose State has become the center for organizing the national student resistance effort. Students from around the country are coming to San Jose State to help coordinate the National Student Congress.

Opinion is fairly divided over Proposition 8, and apparently many of Crandall's supporters and possible-supporters support Proposition 8. Crandall has attempted to avoid being drawn into discussion of it.

TRANSPORTATION/ECOLOGY: Crandall is "adamantly opposing" a super jetport in the area of the Southern Bay Wildlife Refuge.

POLITICAL BACKGROUND:

Assemblyman George W. Milias, who has announced his candidacy for Secretary of State, is very popular in this county. There are five or six Republicans running for his Assembly seat in a highly contested race. However, the local politicians agree that unless there is a horrible battle for the Milias seat, the party will not lose it.

Assemblyman Vasconcellos is expected to have strong opposition from a conservative city councilwoman. Basically, he is a liberal in a conservative district. If the tide runs in our direction, there is a possibility he may be replaced with someone more compatible to the area.

State Senator Alfred Alquist has received the endorsement from the CDC in his bid for Lt. Governor against Ed Reinecke.

State Senator Clark Bradley has announced for re-election, and the feeling is that he will win.

Congressman Don Edwards, Democrat of San Jose and former ADA President, had previously announced he would not seek re-election and has now changed his mind. He will be opposed by the winner of the Republican primary, either Larry Fargher or Bill Best. Local politicians feel that Edwards will be re-elected. The other Congressman, Charles Gubser, will probably win without significant opposition.

ELECTION RESULTS:

<u>1968 General (Pres.)</u>	<u>Office</u>	<u>Dist.</u>	<u>Affiliation - inc.</u>
Humphrey 173,066 (48.6)	Congressman	9	(D) Don Edwards
Nixon 163,082 (45.8)		10	(R) Charles Gubser
Wallace 18,721 (5.3)	State		
Others 1,076 (0.3)	Senator	13	(D) Alfred Alquist
TOTAL 355,945		14	(R) Clark Bradley
	Assemblyman	22	(R) George Milias
		24	(D) John Vasconcellos
		25	(R) Earle Crandall
<u>1966 General (Governor)</u>			
Brown 132,793 (45.0)			
Reagan 164,970 (55.0)			

BACKGROUND MATERIAL FOR THE MEETING WITH THE BOARD OF DIRECTORS,
CALIFORNIA REPUBLICAN LEAGUE

The 45 minute appearance before the board of directors (no prepared remarks) precedes the endorsing convention on Saturday. There will be a strong push at the convention to endorse the candidacy of Norton Simon for U. S. Senator. However, it appears that probably the endorsement will go to Senator Murphy. Jim Flourney, candidate for Secretary of State, is on the CRL Board of Directors.

You will be accompanied to this event by Paul Haerle and Miss Emily Pike, who is San Francisco County Republican Chairman. As you may recall, she served as one of your Northern California Vice Chairmen in 1966 and has agreed to serve as a co-chairman for San Francisco County this year.
