RE: NOVEMBER 2 - "FLY AROUND"

OCTOBER 28, 1970

For the "Fly Around" on November 2, we will be using two airplanes. The "lead" aircraft will be a small jet with the following manifest:

Lt. Governor Reinecke
1 Reinecke Staff Member
Treasurer Priest
1 Priest Staff Member
Bart Christensen
3 Security Men

The second aircraft is a chartered Continental Airlines DC-9. The manifest for this airplane will include the Governor, Senator Murphy, Controller Flournoy, Mr. Younger, Mr. J. Flournoy, their allocated staff members, security and press.

Entertainers and celebrities for the rallies will be on the DC-9 at various times, but will generally travel independently of the tour.

The tour will form at the Sheraton Inn (Toledo Room) in San Diego at 8:00 AM. Breakfast and a light lunch will be served on the primary aircraft. No breakfast will be served on the lead aircraft; however, a box lunch will be provided.

The entire group will travel in a motorcade to Lindberg Field. There will be a Rally there and photos of all candidates with their spouse "waving good-bye". Those on the lead aircraft must board at 8:50 AM and be airborne no later than 8:55 AM.

The lead plane is to arrive about fifteen minutes ahead of the primary aircraft in each instance. All local candidates will have been introduced in advance of that time. Lists of local candidates, entertainers, and others on each platform will be

OCTOBER 28, 1970

made available prior to departing San Diego. The Emcee will introduce Mrs. Priest for very brief remarks. She, in turn, will introduce Lt. Governor Reinecke for brief remarks.

On arrival of the DC-9, Lt. Governor Reinecke and Mrs. Priest will remain on the platform. The local greeting committee will be planeside. The Governor, Senator Murphy and the balance of the Constitutional candidates will be escorted to the platform where they will join Lt. Governor Reinecke and Mrs. Priest. All candidates will pose for "team photos". Immediately upon completion of these photos, Lt. Governor Reinecke will introduce the first candidate to speak. The order of speaking will be determined and announced at the earliest possible date.

After introducing the first speaker, Lt. Governor Reinecke and Mrs. Priest board the lead aircraft and depart. The remaining candidates will speak in order, with each introducing the following. Time allocations will be announced concomitantly with the speaking order.

This format will be followed in Sacramento, Fresno and Hollywood-Burbank, except, of course, that Lt. Governor Reinecke and Mrs. Priest will remain on the platform in Hollywood-Burbank.

In San Francisco, there will be a press conference rather than a rally. At the conclusion of the press conference, it is critical that the passengers in the lead plane board and depart for Sacramento immediately.

At the conclusion of the tour in Burbank (approximately 3:45 PM), all members of the tour party are to make their own transportation arrangements. There will be transportation available to those who wish to go to the Century Plaza Hotel. Advance notification to my office is required (Phone: 213-660-2180).
