Memorandum

: GOVERNOR REAGAN

Date : September 3, 1974

Subject: Lou Cannon Interview

From : Pete Hannaford 

This morning, from 10:30 til 12 noon, Lou Cannon will be here to interview you for a 6-7,000 word retrospective article about your two terms for California Journal magazine. Attached is a summary of accomplishments of your administration. An area you might touch on, in addition to welfare reform, fiscal responsibility and education support is your administration's record in environmental field. I have marked some highlights.

Cannon is now with the Washington POST. He is most interested in the significance of your remarks at the Bull Roast and early last week cited it as evidence that conservatives are clearly warning Gerald Ford to "mind the mandate."
