Dear Mr. Carlucci:

I wish to express my concern over Governor Ronald Reagan's veto of the \$1.8 million grant to the California Rural Legal Assistance program, and to urge you to override this veto to keep this valuable program alive.

Few programs funded by the Federal government have been so continuously effective in making fundamental changes in the lives of the poor and disadvantaged. To cut the funds from this program because it is effective and sometimes politically embarrassing to Governor Reagan is to tell the poor that only those programs that are ineffective will be countenanced by the government. Groups denied effective access to the courts eventually turn to other less civilized ways of advancing their interests. To avoid this possibility and to further the ideals behind the Economic Opportunity Act, I urge you to fund the California Rural Legal Assistance program.

Very truly yours,

Alan H. MacPherson

Dear Mr. Carlucci:

As shown by the enclosed letter, the incumbent officers of our County Bar Association have asked members of our County Bar Association to write letters urging support of the continuance of the California Rural Legal Assistance program.

So far as I am concerned, there is a legal aid program supplied by the County Bar Association and the continued steps toward socialism of our profession are not in the best interests of either the legal profession or the poor.

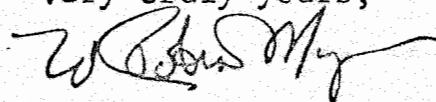

This very morning, representing a poor person on a contingent basis, who was injured by an uninsured motorist, I found myself opposed by the County Legal Aid attorney who had just served on my poor, injured plaintiff 70 to 80 interrogatories.

I would honestly hope that that friendly legal service would be available to all poor and not on a first service basis.

I am personally opposed to much of the philosophy of California Rural Legal Assistance, and resent having to pay taxes for free lawyers supporting a philosophical point of view which is not mine, and frequently not the majority of the defendants of this state or nation.

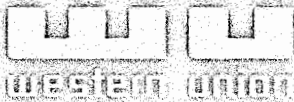

I would rather see the money spent on effective industrial safety programs through the California Department of Labor.

Very truly yours,

W. ROBERT MORGAN

You will be either approving or disapproving the appropriation for financing "California Rural Legal Assistance" within the next few days.

Based on C. R. L. Street, Suite 1205, San Jose, California. They strongly urged that I write you to endorse the CRLA program in San Benito County.

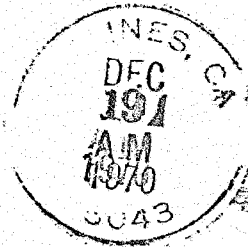

I am, however, obliged to write you that, in my opinion, the CRLA does not seem concerned with individual client problems, but, rather, with "impact" cases and class actions. They seem to prefer representing a faceless group, rather than individuals. This, in my estimation, is not practicing law; rather, it is glory hunting.

When one purports to be involved in a humanistic effort to help his fellow man, he should be concerned with that individual's immediate problem and not in searching for additional problems of the same nature to produce an impact case or class action. The little ordinary everyday problems seem to escape CRLA and they seem to have forgotten the individual.

The general attitude of most of the members of the Bar toward CRLA and, in particular, Mr. Kates is unfavorable. This is largely due to his abrasive and somewhat crude manner. But enough of personal likes and dislikes.

Were CRLA under the control of the bar association, or represent individuals, rather than groups, I would have a much different attitude. I feel the Legal Aid Society of Santa Clara County does a much better job of representing indigent clients and does not alienate members of the local bar in doing so. Mr. Kates has, in the past, exhibited conduct which I would consider unprofessional. You will note I did not state unprofessional, merely unprofessional.

Dear Governor,

I would like to add my voice to many in asking your help in curtailing the continuing harassment of public agencies by the lawyers involved in the CRLA.

The premise that this group was to be the spokesman and legal adviser to the poor was undoubtably sound, however, they have gone far beyond the job they were originally asked to do.

As a school board member, who has already been harassed by the CRLA on semi-fictional charges, I feel that they are now going far beyond the call of their office. We notably, thru our taxes, have to support their cause, we must then turn around and defend ourselves with our tax money.

I hope that in your consideration of the funds for the CRLA that you will see fit to cut off these funds in order to give two fold relief to the taxpayers of this state.

DEAR GOVERNOR,

I AM PLEASED TO HEAR THAT YOU HAVE PUT THE VETO ON R.L.A.
IT IS A SHAME THE WELFARE PROGRAM IS MISUSED ALSO. IT MAKES A
PERSON SICK TO SEE THE WAY THE PEOPLE HERE IN GILROY SPEND THE
MONEY THE TAX PAYERS WORK SO HARD FOR TO BE ABLE TO KEEP THEIR
HOMES AND A REASONABLY GOOD CAR.

WELFARE PEOPLE WONT RIDE IN VOLKS WAGONS. THEY HAVE TO HAVE NEW
STATION WAGONS TO HAUL ALL THE KIDS AND GROCERIES HOME IN. MOST
ARE IN THE BUSSINESS OF MAKING BABYS AND GETTING RELIEF.
MOST HAVE COLOR T.V. AND MORE EXPENSIVE CLOTHS THAN THE THE TAX
PAYER WHO IS SURPORTING THEM.

IN HARVEST TIME, THE FRUIT IS FALLING ON THE GROUND AND THE POOR
FARMING IS GOING CRAZY LOOKING FOR HELP. VERY VERY VERY FEW WILL
WORK. THEY SIT HOME AND WATCH T.V. AND LAUGH IF SOME ONE OFFERS
THEM A JOB.

THE CHILDREN FROM THESE FAMILYS ARE ILL MANNERED HOODLUMS AND
CHAPIES IN MOST CASES. ESPECIALLY BAD AROUND SCHOOLS, ABOUT 65 PER
CENT OF GILROY IS MEXICANS AND 90 PER CENT OF THEM ARE ON WEL-
FARE .

CRIMES OF ALL KINDS KEEP OUR COURTS FULL ALL THE TIME AND THESE
SAME PEOPLE REPRESENT ABOUT 85 PER CENT.

Dear Governor Reagan,

It has been brought to our attention that you must make the decision of funding or not for C.R.L.A.

We beg you to stop the funds. We feel helpless and frustrated to find our own tax money being used against us. We cannot afford a lawyer, yet C.R.L.A., funded by our own money, is allowed to harass and actually force through situations that could destroy us as middle-class citizens.

My husband is a Trustee of the Willow Grove Union School. At one time C.R.L.A. lawyers hounded the school board to furnish buses that the district cannot afford. (Thanks to Unruh, thousands of our tax money goes to Los Angeles!) This woman lawyer suggested one bus to carry the Mexican children who lived close to the school, leaving the rest of the parents to keep on hauling their own children! These people speak of Justice! Isn't that a laugh!

We are two Democrats (we may stay registered that way so we can vote against a candidate), who voted almost 100% to Republican this year. Wish on your side! Thank you,

Governor's Office
State Capitol
Sacramento, Calif.

Dear Governor Reagan,

We strongly urge you to disapprove the
budget for the California Rural Legal Assistance
(CRLA) program as we feel the program has greatly
deteriorated and is not doing the job for which
it was originally intended.

Sincerely,

Stephen M. Zupan
