MEMO TO THE NEWS MEDIA

Governor's News Conference
and Press Tour for
Proposition 1

Governor Ronald Reagan will hold a news conference and conduct a press tour of
Angel Island State Park:

Thursday, May 23, 1974

Departing Pier 43 $\frac{1}{2}$ (Fishermans Wharf), Foot of Mason
Street, San Francisco, on the vessel Harbor Emperor

11:00 a.m.

The news conference will be held aboard the vessel Harbor Emperor en route to Angel
Island. Arrival on Angel Island will be at about 11:35 a.m. Governor Reagan will then tour parts
of the island in the company of William Penn Mott, Jr., Director of the California Department of
Parks and Recreation, and L. W. (Bill) Lane, Jr., state chairman of Californians for Parks,
Beaches and Wildlife, the citizens committee campaigning for the passage of Proposition 1 on
the June ballot.

The vessel, Harbor Emperor, will leave Angel Island State Park at 12:45 p.m. and arrive
back at Fishermans Wharf in San Francisco at 1:15 p.m. A picnic lunch with beer and wine will be
served on the return trip to San Francisco.

Over a million dollars in improvements, from Proposition 1, are planned for Angel Island
State Park including the partial reconstruction of the "West Garrison" area and new sewage and
day-use facilities. Angel Island is one of 37 State projects in the Bay Area that will benefit from
the passage of Proposition 1 and its \$250 million funding of State and local park, beach, recreational,
historical, and wildlife resources.

#

EDITORS NOTE - We realize it's unorthodox to request an RSVP, but because of the intricate
"logistics", we'd appreciate it very much if you can let us know if you will
be covering the event. Phone (415) 362-5173, John Motroni or Dick Arnold.

Bond Program

There is \$1 million of 1974 Park Bond funds earmarked for day use development at Angel Island. Proposed are picnic facilities and sanitary facilities at West Garrison, Alcatraz Gardens, and East Garrison. The Department will work with interested local citizens in planning these facilities.

West Garrison

This was the first area of Angel Island developed for military purposes and it dates back to the Civil War. Following that, other military facilities were built around the Island, right up to the 1960's. Interpreting the military history of the Island is an important program of the State Department of Parks and Recreation. The view from here is quite spectacular. Picnic facilities and sanitary facilities are planned.

Alcatraz Gardens

More day use facilities are needed on Angel Island and this is one area proposed for that development.

Angel Island

In your press kits you'll find a newly published information folder on Angel Island. Towards the back of the folder, you'll find a picture of Mrs. Caroline Livermore, the fine conservationist after whom Mt. Livermore, here on the Island, is named. She was the person who did more than anyone else to get Angel Island into the State Park System. It might interest you to know that her son, Norman B. Livermore, Jr., is my Secretary for Resources.

Election Day: June 4, 1974

FACT SHEET

1974 Park Bond Act

San Francisco Bay Area Benefits
(9 Counties)

Alameda - Contra Costa - Marin - Napa - San Francisco - San Mateo - Santa Clara - Solano - Sonoma.

State Beach, Park Recreational and Historical Facilities Bond Act of 1974 - \$250,000,000.

San Francisco Bay Area Benefits:

1. Of the \$90 million for local government, \$19,314,373 will go to the nine San Francisco Bay Area counties for local park and recreation projects.
2. Of the \$90 million for State acquisition, the following projects are proposed in the nine San Francisco Bay Area counties:
 - a. One new State park unit (Purisima Ranch, San Mateo County).
 - b. Major additions at seven State park units (Mt. Diablo, Contra Costa Co.; Bothe-Napa Valley, Napa Co.; Ano Nuevo, San Gregorio and Pomponio, San Mateo Co.; Salt Point, Annadel, and Sugarloaf Ridge, Sonoma Co.).
 - c. Purchase of inholdings at nine State park units.
 - d. Land acquisition at three State Historic Parks to preserve the historical integrity of the units (Jack London, Petaluma Adobe, and Sonoma, Sonoma Co.).
 - e. Acquisition of an off-road vehicle area within easy travel distance of the metropolitan San Francisco Bay Area.
3. Of the \$60 million for State development of land for trails, the following projects are proposed in the nine San Francisco Bay Area counties:
 - a. Seven new campgrounds at State park units (Mt. Tamalpais and Stinson, Marin Co.; Bothe-Napa Valley, Half Moon Bay and San Gregorio, San Mateo Co.; Henry Cowell Redwoods, Santa Clara Co.; Salt Point, Sonoma Co.).
 - b. Day use facilities at four State park units (Angel Island, Marin Co.; San Gregorio and San Mateo, San Mateo Co.; Salt Point, Sonoma Co.).

- c. Development at four State Historic Parks (Old Bale Mill, Napa Co.; Benicia, Solano Co.; Sonoma, Sonoma Co.; Fort Ross, Marin Co.).
- d. Development of a major riding and hiking trail system (Santa Cruz Mts. in San Mateo, Santa Clara, and Santa Cruz Counties).
- e. Additional trails in four State park units (Henry W. Coe, Santa Clara Co.; Samuel P. Taylor, Marin Co.; Austin Creek, Sonoma Co.; and Robert L. Stevenson, Lake, Napa, and Sonoma Counties).
- f. Miscellaneous development - utilities - undergrounding of overhead utility lines.

Sacramento, California 95814

Distribution: Special to Media of
San Francisco Bay Area

FOR IMMEDIATE RELEASE

May 16, 1974 #74110

Thirty-seven major State Park System projects in nine San Francisco Bay Area counties are proposed for funding under the 1974 Park Bond Act, the State Department of Parks and Recreation reported today.

The nine counties are Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Solano and Sonoma.

The 37 projects include acquisition of one new State Park unit, major additions at seven units, purchase of inholdings at nine units, acquisition at three State Historic Parks, acquisition of an off-road vehicle area, construction of campgrounds at seven State Park units, day use facilities at four units, development at four State Historic Parks, and development of a major system of riding and hiking trails.

Statewide the Department proposes bond funding of 98 acquisition and 80 development projects to provide recreation, preserve landscapes, and preserve and interpret California's historical heritage.

The Bond Act, called "The State Beach, Park, Recreational and Historical Facilities Bond Act of 1974", will be on the statewide ballot June 4 as Proposition 1.

It will provide \$250,000,000 for acquisition and development of parks, recreation areas and historical resources and fish and wildlife conservation projects throughout California. Of this amount, \$90,000,000 is earmarked for the state's 58 counties, with county allocations based on 1980 population projections (the nine Bay Area counties will receive \$19,314,372 of this).

The State Department of Parks and Recreation will receive \$150,000,000 (\$90,000,000 for acquisition and \$60,000,000 for development), and the California Wildlife Conservation Board will receive \$10,000,000 to acquire and develop land for fish and wildlife conservation.

(more)

State Parks Director William Penn Mott, Jr., said over 70 percent of the State's portion of the Bond Fund would be used to buy and develop land within one-hour's driving time of California's major metropolitan centers and that some 25 miles of ocean frontage would be added to the State Park System.

"These bond funds will go a long way toward helping state and local governments meet their responsibility of providing for the park and recreation needs of California's citizens", Mott emphasized.

All 37 projects in the San Francisco Bay Area have been approved by the State Park and Recreation Commission and have been presented at public hearings in northern and southern California.

The Projects

The new State Park unit is the Purisima Ranch in San Mateo County. The major additions proposed are at Mount Diablo S.P., Contra Costa County; Bothe-Napa Valley S.P., Napa County; Ano Nuevo State Reserve and San Gregorio/Pomponio State Beaches, San Mateo County; Salt Point, Annadel, and Sugarloaf Ridge S.P.'s, Sonoma County.

Acquisition of important inholdings is proposed at Tamales Bay and Samuel P. Taylor S.P.'s, Marin County; Bothe-Napa Valley S.P., Napa County; Big Basin Redwoods, S.P., and Pescadero, Pomponio and Thornton S.B.'s, San Mateo County; Henry W. Coe S.P., Santa Clara County; and Robert Louis Stevenson S.P., Sonoma, Napa and Lake Counties.

The State Historic Park program includes acquisition at Jack London, Petaluma Adobe, and Sonoma, all Sonoma County. Development includes restoration of the Old Bale Mill at Bothe-Napa Valley, Napa County; restoration of the Fisher House at Benicia, Solano County; restoration of the Sonoma Barracks at Sonoma; and restoration and interpretation at Fort Ross.

Acquisition of an off-road vehicle area within easy driving distance of the metropolitan Bay Area is proposed.

Campgrounds are slated at Mt. Tamalpais S.P. and Stinson S.B., Marin County; Bothe-Napa Valley S.P., Half Moon Bay and San Gregorio S.B.'s, San Mateo County; Henry

(more)

Cowell Redwoods S.P., Santa Clara County; and Salt Point S.P., Sonoma County. Day use facilities, including picnic facilities, parking, access and utilities, are proposed at Angel Island S.P., Marin County; San Gregorio and San Mateo S.B.'s, San Mateo County; and Salt Point S.P., Sonoma County.

The system of riding and hiking trails is proposed in the Santa Cruz Mountains of Santa Clara, San Mateo and Santa Cruz counties, and in four other park units.

Following is detailed information on each of the 37 projects proposed for bond funding.

New Park

Purisima Ranch - San Mateo County

This is a new project just south of the community of Half Moon Bay, consisting of 1,770 acres with 16,000 feet of ocean frontage. The project has beaches backed by bluffs, and flat uplands. Inland of the Coast Highway, which passes through the project, are rolling coastal hills, bisected by Purisima Creek. The project will support camping, day use, hiking, and fishing.

Major Additions

Mount Diablo State Park - Contra Costa County

The approved Mount Diablo acquisition plan indicates a need for 4,900 acres on the west side of the mountain along both sides of the north gate entrance road, 6,400 acres on the east side of the mountain including North Peak and Curry Canyon, and 1,780 acres on the south side of the park in the Black Hawk Ranch area. To acquire all of these lands would require more than the amount available; therefore, the Department proposes to acquire areas which are most desirable or under the greatest threat of adverse development. The acquisition is primarily preservation-oriented though hiking, day use and some camping would be possible in certain areas.

(more)

Bothe-Napa Valley State Park - Napa County

This contains 175 acres on the southern side of the park between the main body of the park and the recently acquired Bale Mill. It contains some day use and camping potential and excellent riding and hiking potential.

Ano Nuevo State Reserve - San Mateo County

This proposed addition of 550 acres and 9,000 feet of ocean frontage extends northward, or upcoast of the existing state reserve. The area could be characterized as a large gently sloping uplifted sea terrace covered by stabilized and shifting dunes. Much of the coastline consists of sandy beaches with adequate uplands suitable for multiple uses.

San Gregorio/Pomponio State Beaches - San Mateo County

This proposed addition consists of 600 acres with 2,500 feet of ocean frontage and will connect the two state beaches. The ocean frontage consists of sandy beach backed by a bluff. The lands inland of the coast highway are primarily grass and chaparral covered coastal uplands, as well as riparian areas along Pomponio and San Gregorio Creeks. Uses may include camping, picnicking, beach use and trails primarily along the ocean and adjacent to the two streams.

Salt Point State Park - Sonoma County

This proposed addition of 350 acres and 5,000 feet of ocean frontage extends northward of the existing state park and between the ocean and Kruse Rhododendron State Reserve. The property has potential for limited picnicking, camping, beach use and hiking, but the main objective is additional shoreline and adjacent upland preservation.

Annadel State Park - Sonoma County

This 680 acre addition lies along the southwestern corner of the park. The parcel includes the southern side of Bennett Mountain which is the highest point in the area at 1,187 feet elevation. It consists primarily of rolling to steep terrain and is preservation-oriented with some trail potential.

(more)

Sugarloaf Ridge State Park - Sonoma County

This proposed addition consists of 320 acres along the southern boundary of the park. The parcel is primarily for watershed protection and preservation with limited development potential.

Historic AcquisitionsJack London State Historic Park - Sonoma County

There are two proposed additions to this unit. The first consisting of 35 acres is located on the northern side of the unit. The second, 34 acres, is adjacent to the southern boundary of the unit. These properties are needed as buffer areas to two historical building sites within the park. Each area is heavily vegetated and constitutes a fire hazard during fire season, with the first parcel being the most critical due to its nearness to the House of Happy Walls.

Petaluma Adobe State Historic Park - Sonoma County

This consists of 13.7 acres of land bordering Casa Grande Road and Adobe Road, directly below that enclosed within the present State Historic Park boundaries. The property is necessary to provide a buffer against encroaching development and to convey the picture of open space needed to simulate the vast acreages common to the Hispanic Era rancho. Otherwise, housing or industrial uses will occupy this land, thereby destroying the quality of the interpretive experience enjoyed today.

Sonoma State Historic Park - Sonoma County

There are two proposed additions at this unit, the first consisting of 0.7 acre located next to the San Francisco-Solano Mission complex on East Spain Street across from the Blue Wing Inn. This property has unusual historic and archeological value, for it is the site of the main mission structure built in Sonoma in 1823, which was destroyed by flood. It will be developed either as part of the present mission complex or as an archeological exhibit. The second parcel is a narrow, rectangular parcel of 2.1 acres which stretches from First Street East to First Street West directly north of the State's present parking facility and bisecting State property and that now being

(more)

developed as a railroad exhibit by the city park department of Sonoma. This area is needed as a protective buffer between city park activities and the State's historic zone.

Inholdings

Tomales Bay State Park - Marin County

This proposed 60 acre parcel with 2,100 feet of frontage on Tomales Bay is a complete inholding. It contains the area known as Shallow Beach and a small marsh area behind the beach.

Samuel P. Taylor State Park - Marin County

This addition is on the southeast side of the park adjacent to the community of Lagunitas. It consists of 440 acres in the area known as Barnaby Ridge-Barnaby Mountain. It is primarily preservation oriented to prevent future encroachment upon the existing park.

Bothe-Napa Valley State Park - Napa County

There are two proposed inholding purchases, the first consisting of 3 acres between the existing park and the State Highway on the northern boundary of the park. This parcel is relatively flat and contains development potential for camping and day use. The second parcel consists of 240 acres adjacent to the northwest corner of the park. This consists of relatively steep hillside lands in the Ritchie Creek watershed and is primarily preservation-oriented with limited development potential.

Pescadero State Beach - San Mateo County

This acquisition of 340 acres will complete acquisition of the Pescadero Marsh of which a little over half is presently in State ownership. The proposal includes upland area to serve as buffer and protection and includes the confluence of Pescadero and Butano creeks just prior to their combined mouth in the Pacific Ocean. The site has potential for development as an excellent bird education center. Development would consist of trails for observation of the over 160 species of shore birds, waterfowl and water-associated birds which utilize the marsh.

(more)

Pomponio State Beach - San Mateo County

This inholding located adjacent to Horseshoe Gulch and consisting of 14.7 acres is surrounded on three sides by the existing state beach and on the fourth side by Highway 1. The property is presently for sale and its acquisition will provide an area for public access and day use facilities relating to beach use.

Thornton State Beach - San Mateo County

This proposed addition would add 36 acres with 1,000 feet of ocean frontage north or upcoast of the existing State Beach. The parcel contains excellent sandy beach backed by bluffs and upland areas. Proposed developments could include a more aesthetic park entrance, additional beach access trails and added beach-related day use facilities.

Big Basin Redwoods State Park - San Mateo/Santa Cruz County

There are presently 4,660 acres of privately owned land within the approved boundaries of the park. These parcels are located in the Waddell Creek, Elliot Creek, Ano Nuevo Creek, and Last Chance Creek drainages, as well as the Pine Mountain and Little Basin areas. A specific amount will be set aside for acquisition of those areas which are most critical or are threatened by imminent development.

Henry W. Coe State Park - Santa Clara County

This proposed addition consists of a 116 acre parcel which is a complete inholding within the existing park. The property is relatively steep with limited development potential along Coyote Creek, which passes through the parcel.

Robert Louis Stevenson State Park - Sonoma/Napa/Lake Counties

There are three proposed additions to this state park. The first consisting of 171 acres is a complete inholding embracing the top of Mount Saint Helena. It is primarily preservation oriented with hiking potential. The second parcel consists of 147 acres along the eastern side of the park. This parcel has very limited development potential and would be primarily preservation oriented. The third parcel consists of 560 acres along the southern boundary of the park. This parcel has historical significance in

(more)

that it embraces the Robert Louis Stevenson Monument as well as the Silverado town site. The parcel also has development potential for camping, day use and hiking.

Development

Other development proposed is for a water supply system at Mt. Diablo and Salt Point, water supply and utilities at Sugarloaf Ridge, trails at Bothe-Napa Valley, and sewage export at Stinson.

Trails

Various trail acquisitions and easements are proposed to connect major and minor State Park units in the Santa Cruz Mountains area of Santa Cruz, San Mateo and Santa Clara counties and to expand an existing 45-mile trail system now connecting Castle Rock and Big Basin Redwoods State Parks. Trails are also proposed at Henry W. Coe, Robert L. Stevenson and Samuel P. Taylor S.P.'s and Austin Creek State Recreation Area.

Off-Road Vehicle Area

The Department is seeking a site for an off-road vehicle area within easy driving distance of the metropolitan San Francisco Bay Area. Criteria are that the area be somewhat isolated from other activities and that it not contain important natural values that could be damaged. Acquisition of one site in the San Francisco Bay Area is proposed under the Bond Act.

State of California Resources Agency
DEPARTMENT OF PARKS AND RECREATION
1416 Ninth Street
Sacramento, California 95814
SPECIAL: Alameda and San Francisco
Counties

FOR IMMEDIATE RELEASE

April 26, 1974 #7488 Pg. 1 of 2

SACRAMENTO---Nine Bay Area counties will receive \$19,314,372 to acquire land and develop park and recreation facilities within the counties if voters approve the 1974 Park Bond Act at the June 4 election.

The allocation is based on the Department of Finance's 1980 projected population of 5,223,300 for the nine counties.

State Park Director William Penn Mott, Jr., noted that 10 years ago a similar Bond Act provided \$40,000,000 to local government and that this money funded more than 300 park and recreation projects throughout the State.

"The new bond funds will go a long way toward helping state and local governments meet their responsibility of providing for the park and recreation needs of California's citizens," Mott said.

The projected population and the allocation of bond funds for each of the nine counties is as follows:

<u>County</u>	<u>Projected Population July 1, 1980</u>	<u>Amt. of Park and Recreation Funds for Local Government</u>
Alameda	1,143,800	\$ 1,226,231
Contra Costa	652,800	2,412,033
Marin	233,200	861,652
Napa	101,600	375,402
San Francisco	661,100	2,442,701
San Mateo	593,100	2,191,448
Santa Clara	1,342,800	4,961,517
Solano	194,400	733,069
Sonoma	<u>300,500</u>	<u>1,110,319</u>
Totals	5,223,300	\$19,314,372

MORE/MORE/MORE

The Bond Act, entitled "State Beach, Park, Recreational and Historical Facilities Bond Act of 1974," will be Proposition 1 on the June 4 ballot.

The Act will provide \$250,000,000 for acquisition and development of parks, recreation areas and historical resources and fish and wildlife conservation projects throughout California. Of this amount, \$90,000,000 is earmarked for the State's 58 counties, with county allocations based on 1980 population projections. Counties with small populations will receive a minimum of \$200,000. The Board of Supervisors in each county is responsible for consulting with all cities and districts within the county which are authorized to provide park and recreation services and to develop a priority list for the county's allocation of funds.

The remainder of the funds are earmarked as follows: \$150,000,000 to the State Department of Parks and Recreation (\$90,000,000 for acquisition and \$60,000,000 for development); and \$10,000,000 for the Wildlife Conservation Board to acquire or develop property for fish and wildlife conservation.

Memorandum

To : Dick Kazen

Date : May 15, 1974

Subject: Tom May Dinner
May 23, 1974

From : Mike Woodson

Governor Reagan is being honored by the National Jewish Hospital and Research Center of Los Angeles. Dinner chairman is Walter O'Malley of the Los Angeles Dodgers, and he will act as Master of Ceremonies. Dress for the evening is black tie, and for the ladies, long dresses. Dinner is being held at the Beverly Hilton Hotel, at the corner of Wilshire and Santa Monica, in the International Ballroom. The phone number is 213/274-7777.

6:30 p.m. - Cocktail reception for VIP's
50 people by invitation only
(room to be determined)

7:30 p.m. - Start dinner

8:30 p.m. - Start program

8:45 p.m. - Governor Reagan is introduced by Walter O'Malley
The Governor is free to speak from 5-30 minutes
on any subject he chooses.

9:15 p.m. - (Approximate) Governor will receive Tom May Award

9:30 p.m. - (Approximate) Conclude dinner
Dancing will begin and program will continue until
11:00 p.m. Governor and Mrs. Reagan may depart at
their convenience.

Memorandum

To : Dick Kazen

Date : May 20, 1974

Subject: Tom May Dinner

From : Mike Woodson

HEAD TABLE

Governor and Mrs. Reagan
Mr. and Mrs. Walter O'Malley
Rabbi and Mrs. Heller
Mr. and Mrs. Emmett Heitler
Mr. Mort Sahl

Due to the extent of the program, it would be appropriate if Governor Reagan would hold his remarks to approximately 15 minutes. The Governor will be followed on the program by Mr. Mort Sahl, who will have humorous remarks for approximately 10-15 minutes. The present format can be altered if the Governor would rather conclude the program.

Program schedule is as follows:

- 7:00 p.m. - Governor and Mrs. Reagan arrive hotel and proceed to Empire Room for VIP Reception
- 7:30 p.m. - Formation of head table and proceed to dinner
- 7:35 p.m. - Welcoming remarks by Walter O'Malley
Invocation by Rabbi Heller
- 7:45 p.m. - Begin meal service
- 8:45 p.m. - Conclude meal service
Introduction of head table by Walter O'Malley
Thank you remarks to dinner committee
Introduction of Mr. Heitler; short remarks
- 9:00 p.m. - Film program on hospital achievements
- 9:15 p.m. - Presentation of dinner proceeds to Mr. Heitler
Short remarks
- 9:20 p.m. - Presentation of Tom May Award to Governor Reagan
Introduction of Governor

Dick Kazen
Page 2
May 20, 1974

- 9:25 p.m. - Governor's remarks
- 9:40 p.m. - Governor concludes
- 9:42 p.m. - Presentation of gift (Book of Greetings) to
Governor Reagan; RR accepts - no remarks
- 9:45 p.m. - Introduction of Mort Sahl
- 10:00 p.m. - Conclusion of dinner
Walter O'Malley requests Governor and Mrs. Reagan
to lead in the dancing; Governor and Mrs. Reagan
conclude and depart

RR receiving "1974 Tom May Honor Award"

Because he had been a long-time friend of the late Tom May and because of his interest in the hospital through Mr. May.

Tom May's father was the founder of the hospital. The hospital is celebrating its 75th anniversary this year. May was the founder of the May Co.

"Pain Knows No Creed"

Hospital is open to people regardless of age, race, creed, or the ability to pay. It is not duplicated by any hospital in the world in this respect.

Respiratory ailments: TB, asthma, cystic fibrosis, chronic bronchitis

THREE-FOLD PROGRAM

1. Treatment
2. Research - Worldwide fame as a pioneer in the field of research
3. Education - Center for education of medics and paramedics from around the world who then return to their homelands to apply their knowledge

They treat patients from infancy to old age; no age limit. Most patients are dual victims of poverty and respiratory ailments.

Hospital is located in Denver; 200 beds; in the process of building a new eleven-story building as funds come in; social workers based regionally around country.

Major contributors are not Jewish; 97% of the patients are not Jewish (not for publication)

Amount of money spent for social services is much lower than any other: 16.9 (?) for social services.

Woodson - doing memo on this? Yes 5/20

Gov + late Tom May very close friends.
Past award dinners - Gov has attended.

May active w/hospitals + volunteer - father was
also active, he was founder of May Co., one of
founders of hospital.

75th anniversary.

No other hosp like it in world.

Treat Respiratory ailments regardless of ability
to pay. 97% not Jewish, most funding
comes from Jews. No restriction on race, origin,
etc.

One of lowest fund raising costs of any charity
around.

\$11 million expansion campaign for research
in cancer, other diseases.

Great work.

Room holds 30-40 people.

PUBLIC RELATIONS

RICHARD K. ARNOLD
GERALD S. NOBLE

THEODORE A. PALMER
(1906-1967)

May 14, 1974

Mr. Paul Russo
Office of the Governor
State Capitol
Sacramento, California 95814

Dear Paul:

Enclosed is a rather broadly-based press list for invitations to the May 23
Angel Island press tour.

The boat can handle over 100; the elephant train, about 50. The press list
numbers in the 50's, but I doubt that the suburban press will accept in great
numbers.

If you decide to trim the list, the main non-San Francisco media we'd like to
see included are: Oakland Tribune, San Rafael Independent-Journal, San Jose
Mercury and News, Palo Alto Times, Redwood City Tribune, Contra Costa
Times, San Mateo Times, Santa Rosa Press-Democrat, Vallejo Times Herald,
and KTVU.

We will be in touch very soon on other details of the event; if you try to reach
me and can't, please talk to John Motroni or Sam Meblin at this office.

Regards,

Richard K. Arnold

May 10, 1974

Mr. Paul Russo
Office of the Governor
State Capitol
Sacramento, California 95814

Dear Mr. Russo:

Here is a list of press which should be invited by your office to cover the Governor's visit to the Orange County area on May 20. To save time, I am sending a xeroxed list with names indicated.

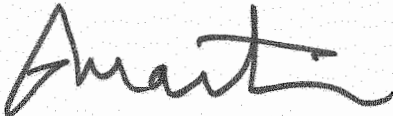

I suggest that those media checked be invited. The chance of the weeklies not checked coming is quite remote, although you can certainly invite them if you wish.

In the case of the Los Angeles Times, the Orange County office is a fully staffed office which creates material for the Orange County edition as well as the run of the paper if the item merits attention in Los Angeles County. I have indicated the name and address of the person to invite in Orange County, but perhaps you wish to invite someone from the main Los Angeles office instead (or in addition, in which case the duplication should be noted).

All television is assigned out of Los Angeles, and I am sure you have that list (if not, please let me know).

I will send the map and the fact sheet early next week.

Sincerely,

Martin A. Brower
Director of Public Relations

MAB/dh
Attach.
