Chuck -- Pat Thomas asked if there was any way we could cut down on the number of fill-ins on this new Presidential. We tried to work something up (attached), but I didn't know if it was something you would be comfortable with.

(The first fill-in would have the relationship and, if desired, the circumstances of the person's death: "your son in Beirut," etc. The second fill-in could provide the full name and rank: "Lieutenant Colonel Frank Jones' memory will be honored..." etc.)

~~The second letter I'm attaching is one of the ones Betty is creating from an AVH Non letter. We just wanted to delete the phrase apologizing for the lateness of the reply, but I thought we'd better run it through you for your approval of the change.~~
