NOTE FROM: ROBERT MCFARLANE

Subject: HPAC

Roger John. You must must be pretty well drained after the sessions with the Intel committees. That's not a terribly uplifting experience; I did it a time or two for Ollie. I spent a couple of hours with Ed Meese today going over the record with him. The only blind spot n my part concerned a shipment in November '85 which still doesn't ring a bell with me.

But it appears that the matter of not notifying about the Israeli transfers can be covered if the President made a "mental finding" before the transfers took place. Well on that score we ought to be ok because he was all for letting the Israelis do anything they wanted at the very first briefing in the hospital. Ed seemed relieved at that. Caroline tells me that she hwa arranged for me to meet with the HPAC on Dec 8 that 2:00pm. They want it to be closed but for the record, I don't mind either way but will be guided by whatever you all prefer.
