OFFICE OF THE VICE PRESIDENT
WASHINGTON

15 October 1985

To: Senior Review Group
Task Force on Combatting Terrorism

From: Admiral J. L. Holloway, III
Executive Director

J L Holloway

Subject: Issue Papers

Enclosed is the first increment of Issue Papers developed by the Staff Working Group as the result of the review of the existing program for combatting terrorism, briefings by agencies involved in the program, visits to federal installations and facilities, discussions with government officials, consultations with outside authorities, a survey of the current literature and press, and extensive liaison with the Congress.

As issues have been identified, discussion papers for each separate issue have been prepared and these are now being distributed for review and comment by the Senior Review Group.

The cognizant department or agency responsible for reviewing each issue is shown on the issue sheet form. However, any member of the Senior Review Group is invited to comment on any issue.

Responses to the attached issue papers should be made to the Executive Director of the Vice President's Task Force on Combatting Terrorism not later than 30 October 1985. Substantive comments only are desired at this point. A staff contact has been assigned to each issue to coordinate the responses as they are received.

From these responses, draft recommendations representing the consensus of the Senior Review Group will be prepared and recirculated to the SRG for further review. During the SRG review of the draft recommendations, suggestions as to form and editing will be solicited, as well as comments of substance.
