Dear Mr. Tuttle:

As you may know, Congress and former Chief Justice Warren E. Burger have mandated that each State shall organize and conduct its own Bicentennial celebration of the United States Constitution.

The California Bicentennial Foundation is, therefore, assembling an advisory committee to be called "The California 200 Council", in an effort to implement that mandate.

As a prominent Californian we feel that the addition of your name to this group would be very beneficial and we would, therefore, like you to accept an honorary position on this Committee. We look forward to hearing from you in the affirmative.

Sincerely,

Jane A. Crosby

In accordance with the intent of Congress and former Chief Justice Warren E. Burger, which mandated that each State shall organize and conduct its own Bicentennial celebration of the United States Constitution, I support your exemplary efforts to fulfill that mandate.

As a resident of California I heartily lend my support to this effort, and agree to accept an honorary position on your advisory committee called "The California 200 Council".
