I have reviewed the Personal Data Statement submitted by Mr. Walker in connection with his prospective appointment to the President's Commission on White House Fellowships. I have reviewed the Personal Data Statement submitted by John Hotchkis in connection with his prospective reappointment to the Advisory Committee to the Pension Benefit Guaranty Corporation. Pursuant to 29 U.S.C. § 1302(h), the President appoints seven members to the Committee, from recommendations submitted by the Board. Of the seven members, two represent employee organizations, two employers who maintain pension plans, and three the general public. Members must have experience in the area, and no more than four may be of the same political party. The purpose of the Committee is to render advice on appointment of trustees, investment of funds, and related issues.

Mr. Hotchkis is a general partner in an investment adviser firm. He owns no stocks or bonds. He clearly satisfies the statutory criteria for appointment, and his PDS presents no problems.

MEMORANDUM FOR DIANNA G. HOLLAND

FROM: JOHN G. ROBERTS 

SUBJECT: Reappointment of Mary Rose Hughes and  
Paul David Guth to the Panama Canal  
Joint Commission on the Environment

I have reviewed the Personal Data Statements submitted by the above-referenced individuals in connection with their prospective appointments. Pursuant to 22 U.S.C. § 3616(b) the President appoints three U.S. representatives to the Joint Commission. The U.S. representatives are to review periodically the impact of the implementation of the Panama Canal Treaty of 1977 on the environment. 22 U.S.C. § 3616(a).

Mr. Guth is a partner in a Philadelphia law firm. His PDS presents no problems. Ms. Hughes is an attorney associated with a Washington law firm. Her PDS reveals that her firm is registered as a foreign agent on behalf of two West German companies. I contacted Ms. Hughes, and alerted her to the prohibition of 18 U.S.C. § 219. She stated that she would check to determine if she were individually registered in the firm's registration, and would immediately de-register if that was the case. She stated that she did no foreign agent work for the German companies, but that she did occasionally do other legal work for them. I advised her, consistent with guidance we have received from the Department of Justice, that as long as she was not individually registered, and so long as she did not do work for a client that would require her to register, she was not covered by 18 U.S.C. § 219. Both appointments may proceed.

MEMORANDUM FOR DIANNA G. HOLLAND

SUBJECT: Appointment of Irving Goldstein to  
the President's National Security  
Telecommunications Advisory Committee

I have reviewed the Personal Data Statement submitted by Irving Goldstein in connection with his prospective appointment to the President's National Security Telecommunications Advisory Committee. The Committee was established by Executive Order 12382 (September 13, 1982) to provide advice to the President and the Secretary of Defense on national security telecommunications policy. Pursuant to the Executive Order, the President may appoint up to 30 members to the Committee, who "shall have particular knowledge and expertise in the field of telecommunications and represent elements of the Nation's telecommunications industry."

Goldstein is the Chairman and CEO of Comsat, and thus clearly satisfies the prerequisites for appointment. Comsat has extensive dealings with the Federal government. Members serve on this Committee in a representative capacity, however, and Comsat is a fairly unique element of the telecommunications industry, so such potential conflicts cannot constitute a bar to appointment. Goldstein serves as a Director of a Panamanian corporation 40% owned by Comsat, but does not engage in propaganda activities for the foreign company and is not registered as a foreign agent. I have no objection to proceeding with this appointment.

I have reviewed the Personal Data Statement submitted by Roger E. Birk in connection with his prospective appointment to be United States National Chairman for United Nations Day. There is no specific statutory or executive order authority for this position. Every year since 1945, however, the President has appointed a chairman to preside over the U. N. I have no objection to proceeding with this largely honorific appointment. Mr. Birk is Chairman Emeritus of Merrill Lynch, and his PDS presents no problems.
