MEMORANDUM FOR FRED F. FIELDING

FROM: JOHN G. ROBERTS *JGR*

SUBJECT: Enrolled Res. S.J. 184 -- National
Beta Club Week for March 4-10, 1984

Richard Darman has asked for comments by noon today on the above-referenced joint resolution, which would designate next week as "National Beta Club Week." January 9, 1984, was the fiftieth anniversary of the founding of the Beta Club. The Beta Club, we are advised, is a national organization recognizing qualities of leadership and achievement in high school students.

OMB recommends approval of the joint resolution, and while I have never previously heard of the Beta Club, I have no reason to disagree with that recommendation.

Subject: Enrolled Resolution S.J. Res. 184 - National Beta Club

Purpose

Discussion

S.J. Res. 184 designates the week of March 4 through March 10, 1984, as "National Beta Club Week", and requests the President to issue a proclamation calling upon the people to commemorate the week with appropriate programs, ceremonies, and activities. It was passed by voice vote in both the House and the Senate.

The resolution notes that January 9, 1984, was the fiftieth anniversary of the founding of the Beta Club, whose purpose is to recognize high school students who have displayed outstanding qualities of leadership and the highest standards of honesty, achievement, and service to others.

According to Senator Hollings' statement on introducing the resolution, the Beta Club was founded in South Carolina with 15 members and has grown into a national organization with a membership of 200,000 high school students and 1.5 million alumni, with approximately 4,500 chapters in 36 States.

According to Congressman Campbell, in whose district the Club is headquartered in Spartanburg, South Carolina, Beta Clubs contribute to their communities by supporting varied activities such as blood drives, tutoring services, and fund raisers for cystic fibrosis.

An appropriate proclamation is being drafted and will be forwarded to the White House for issuance in a timely manner.

MEMORANDUM FOR FRED F. FIELDING

FROM:

JOHN G. ROBERTS *JGR*

SUBJECT:

Resolution Regarding Proposed "Armed
Career Criminal Act of 1983"

William H. Neukom, Secretary of the American Bar Association, has written to advise you that the ABA House of Delegates, upon the recommendation of the Section on Criminal Justice, has passed a resolution opposing S. 52, the "Armed Career Criminal Act of 1983," or similar legislation. As originally proposed S. 52 would have made a third armed felony a Federal crime. Much to sponsor Senator Specter's chagrin, the Administration had serious reservations about the bill, reservations shared by the National District Attorneys Association and other conservative groups concerned about "federalizing" state criminal law. On February 23 the bill passed the Senate, 92-0, but only after it had been drastically amended so that it applied only when the third armed felony was itself already a Federal offense -- e.g., a bank robbery or an offense on a Federal reservation. The Administration will doubtless support the bill as amended.

In any event, we should at this point simply thank Neukom for transmitting the resolution to us, and note that we will share it with the Department of Justice.

Discussion

S.J. Res. 225 designates the month of March 1984 as "National Eye Donor Month," and requests the President to issue a proclamation calling on all citizens to join in recognizing this humanitarian cause with appropriate activity. The resolution was passed by voice vote in both the Senate and House.

The resolution notes that 1.4 million Americans suffer from serious disorders of the eye, many of which can be eased by the efforts of eyebanks. The Eye-Bank Association of America, which encourages research into the prevention and treatment of eye disease and injury in the United States, has grown from a single institution in 1944 to 93 affiliated eyebanks in 1984. Their efforts have assisted in making corneal transplants the most reliable and frequent of all human transplants. Nearly 150,000 Americans have had their vision restored by this procedure. S.J. Res. 225 is designed to recognize the efforts of eyebanks and to educate the American people to the continuing need for research and eye donations.

An appropriate proclamation is being drafted and will be forwarded to the White House as soon as possible.

Discussion

In addition to designating the month of June 1984 as "Student Awareness of Drunk Driving Month," H.J. Res 443 authorizes and requests the President to issue a proclamation calling upon students, parents, teachers, and others to observe the month with appropriate activities.

The enrolled resolution points out that alcohol-related traffic accidents are the leading cause of death for Americans between the ages of fifteen and twenty-four, and that the death rate for this age group is higher than it was twenty years ago, largely as a result of increased drunk driving deaths.

A draft proclamation will be forwarded for your consideration at a later date. H.J. Res. 443 passed both Houses by voice vote.

Discussion

According to the sponsors of S.J. Res. 132, which passed both Houses by voice vote, correctional officers working in the Nation's jails and prisons are responsible for the confinement of over 600,000 prisoners.

The enrolled resolution calls attention to the difficult job that correctional officers perform. It designates the week beginning May 6, 1984, as "National Correctional Officers Week" and authorizes and requests you "to issue a proclamation calling upon the people of the United States to observe such week with appropriate ceremonies and activities."

A draft proclamation will be forwarded for your consideration at a later date.
