Dear Mr. Deaver:

On behalf of the Committee on Marshalling Human Resources of the President's Task Force on Private Sector Initiatives, I would like to extend my warm thanks for your outstanding support in organizing the young volunteer program in Washington, D.C.

The results of the three day affair were outstanding. The young volunteers returned home extremely enthusiastic about their work and were more determined to see their undertaking to create youth fairs in their own localities successfully carried out. Many of them were talking about involving their friends in challenging volunteer activities in their communities. We urged them to participate with us in insuring that young people were challenged in their volunteer assignments and I am satisfied that they will provide us with some useful suggestions.

We are grateful for the support and cooperation we have received from Messrs. Moorhead, Castin, and others from your office. As our Informal Volunteer Group continues its work with young volunteers into 1983, we will depend on the advice and support of your excellent staff. Once again many thanks.

Sincerely yours,

Assistant to the President

*C. F. Fuller
I need a reply.*

Dear Mike:

Thank you for visiting with me when I was in Washington a few days ago. I know how busy you are and that makes it even more important to me that you spent so much time with me; nevertheless, the matters we discussed are vital to the political picture as I see it.

We have a situation here in Colorado that is another one of those examples that I was referring to wherein good, solid Reaganites are being shoved aside for purely personal political reasons.

Here is the scenario. The President was inaugurated January 20, 1981. Bruce Shepard was appointed Regional Administrator of Housing and Urban Development, Region VIII (North Dakota, South Dakota, Montana, Wyoming, Utah and Colorado) December 1, 1982. Our Republican party was not in charge of HUD in Denver during 10 months of the first year of the Reagan Administration.

On February 10, 1982, Grady Franklin Maples was appointed Special Assistant to Shepard. There was no Republican Schedule C Special Assistant to the Regional Administrator during almost 13 months. Maples is a dyed-in-the-wool; conservative Republican and longtime Reaganite who has contributed time, efforts, and money (multiples of thousands of dollars over the years) to conservative and Republican causes. During 1980, Maples was Vice-Chairman (Finance) REAGAN for PRESIDENT in Colorado (see enclosed sheet of REAGAN for PRESIDENT letterhead).

Bruce Shepard resigned as Regional Administrator of HUD on June 30, 1982. On July 1, 1982, Maples was appointed Acting Regional Administrator.

In spite of Maples having been given by Dan Hughes, Deputy Under Secretary of Field Operations--HUD Central, some positive indications by innuendo, insinuation, suggestion and favorable comment that he should not worry about becoming Regional Administrator, it has been learned that something different is developing. It appears that Secretary Pierce and/or his staff are considering a Mr. Kirk McKinney (or maybe even somebody else, who knows?) for the position of Regional Administrator of HUD Region VIII.

Longtime, reliable Republican party stalwarts of Colorado, community and state leaders of the party, and dedicated Reaganites are concerned that the potential appointee (McKinney) is in no way qualified to be Regional Administrator of HUD. Comments are extremely negative. Sources I have checked with are of the opinion that McKinney, a black realtor from Colorado Springs, is not really a good supporter of the President.

By contrast, Maples, a self-made business man, is one of us. His experience encompasses ownership in radio stations, automobile dealerships, a bank, retail stores, et al. He is presently owner of La Junta Broadcasters, Inc., licensee of Radio Station KBZZ (AM) and Radio Station KBLJ (FM) in La Junta, Colorado. He is strongly oriented to the private sector with a strong bent toward the philosophy of maximizing returns on investment of both human and financial resources, in other words, the obtaining of positive bottom line results. He is a workaholic.

Maples sent for and received, under terms of the Freedom of Information Act, the material compiled from interviews made during the investigation by the FBI and personnel from the Office of Personnel Management. It is overwhelmingly favorable and positive, which is what I would expect.

I have talked with a number of people who support Maples--

Joe Coors and Holly support Maples.
Frank Whetstone supports him.
Phil Winn supports him.
Senator William L. Armstrong supports Maples.
Congressman Hank Brown supports him.
Congressman Ken Kramer supports him.
Congressman-Elect Swigert supports Maples.
I certainly support him.
Others support him.

Only a little more than 2 years remain to get the President's policies firmly entrenched at HUD Region VIII. And, we need a man like Maples at HUD to make some changes that are long overdue. And, given the opportunity, he will make them.

Mike, if the President decides to run again in 1984, we're going to have to count on people like Maples to help us pull our troops together. The bottom line is, we can't keep pushing people like Maples around. His is the kind of support we need and are going to have to have.

- 3 -

I am counting on your help to get Maples appointed Regional Administrator of HUD in Denver. We need to do something immediately. I shall appreciate hearing from you.

Sincerely,

Freda Poundstone

Dear Mike,

Thanks for letting me participate in the South Florida visit by the President. To me the events went smoothly and were well received. I had the opportunity to be aboard the Coast Guard Ship "USS DAUNTLESS" for about an hour prior to the President's arrival, and in talking to the Captain and crew this was probably the biggest event any of them had ever been involved in. The Coast Guard's efforts to stop the importation of drugs on the high seas is extremely difficult, and they do not get a lot of pats on the back. The whole crew had been up half the night painting the ship, and it really looked good. The ride back on Air Force One was a real thrill. I had not had the opportunity to be aboard before, and it was very exciting.

I am enclosing a Navy tie - wearing it makes you officially a member of the Surface Warfare Community. Thanks again. The event was fun and did me a lot of good.

Merry Christmas!

Regards,
