REMARKS

MKD and Amb. Wright agreed that a painting of the town of Marakesh done by Sir Winston Churchill should be presented to WH. MKD said they should call closer to time when presentation should take place. The Embassy will close when Wrights leave town in Aug., so they want to establish something now. The Pres. will visit Smithsonian on Oct. 1st - it could be done then - or Sept. 19-21 when Churchill's daughter will be visiting. How to handle this???? Norman Hinkman owns the painting and could come down with it from NY just about any time. She is hoping for an answer by Aug. 1st when they all leave on vacation.
