UNIVERSITY of PENNSYLVANIA

PENN IN WASHINGTON

June 3, 1983

No date

Mr. Michael Deaver
Deputy Chief of Staff
The White House
1600 Pennsylvania Avenue, NW
Washington, DC 20500

Dear Mr. Deaver:

I am writing on behalf of the University of Pennsylvania Washington summer intern program to invite you to participate in a group discussion with Penn students. The Penn in Washington program is designed to enhance the experience of Penn student interns by providing small information sessions with governmental or Washington leaders. We are particularly eager that you be among those leaders.

The sessions consist of informal comments by the speaker followed by a question and answer period. They include about twenty interns and are usually held in the speaker's office after regular working hours.

We will be grateful if you will hold one of the sessions in your office, ideally between 6:00 and 7:00 p.m. The precise time, date, location and topic can be set to suit your convenience. I am asking Mr. Richard Buenneke, one of our program coordinators, to contact your office and am hopeful a session can be arranged.

Thank you very much for your consideration.

Dear Mr. Deaver:

I am pleased that you will be able to attend as our special guest a luncheon I am hosting on behalf of Howard University on June 1, 1983, at 12:00 noon in the ninth floor dining rooms at the American Security Bank Building, 730 15th Street, N.W.

Of the many educational and cultural institutions in our community, Howard has had a significant national and international impact. During the 116 years since its founding and particularly under the current presidency of Dr. James E. Cheek, the University has steadily expanded its commitment to excellence in the provision of outstanding educational opportunity to our leaders of tomorrow. In addition to Dr. Cheek, a small select group of Washington's leading corporate executives will attend the luncheon.

Please telephone me if you require additional information.

Sincerely,

W. Jarvis Moody

Dear Mr. and Mrs. Deaver:

On behalf of MGM/United Artists, I would like to invite you to attend a screening of "WAR GAMES" on Thursday, June 2nd, at the Motion Picture Association, 1600 I Street, N.W., at 7:30 p.m.

"WAR GAMES" is the story of a teenaged computer wizard, David Lightman, played by Matthew Broderick, who inadvertently taps his home computer into the Defense Department's war games computer and begins to play a thrilling match of global thermonuclear war. As the game escalates, the war games computer starts to play out every strategy and option of World War III. To the end. By the time David realizes what he has done... it's too late. Both world powers think that each is being attacked by the other.

I hope that you will be able to join us.

Sincerely,

Joe Canzeri

The Honorable Michael K. Deaver

Dear Carolyn and Mike:

When I was asked by the Cystic Fibrosis Foundation to chair their special dinner dance, I was honored and eager to accept. Bill and I strongly support the fight against this little known but devastating disease. It is as yet incurable and takes the lives of hundreds of children every year.

We have named the dinner dance "The Children's Ball" and we hope through it to increase public awareness of C.F. and to raise funds for research into its causes and cures.

The First Lady has agreed to serve as the Ball's Honorary Chairman. I plan to ask 30 of our nation's political leaders and their spouses to serve on the Ball's Host Committee. Members of this Committee will be asked only to lend their names and to host a table at the Ball. I am hopeful that you will accept my invitation to serve on the Host Committee.

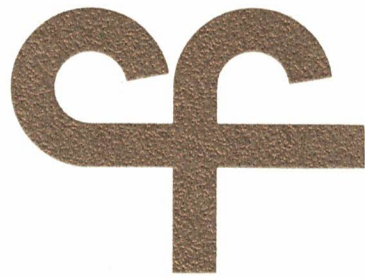

The Ball will be held on June 3rd at the Organization of American States Building. We look forward to good attendance. We hope that, in addition to an evening of good entertainment, our guests will acquire some understanding of this debilitating disease.

I anticipate hearing that you will join Bill and me in this very important effort. We are anxious to prepare our invitations and, of course, would like to include your names as members of the Host Committee. Bill and I, as well as the Foundation, will be most grateful if you are able to accept our invitation.

Sincerely,

Joan

PERSONAL

Honorable Michael K. Deaver
Deputy Chief of Staff and
Assistant to the President
The White House
Washington, DC 20503

Dear Mike:

Based upon my conversations with Shirley Moore and my absolute faith in the integrity of the advice she gives me, I have turned in our names as participants in the Spring Jinks at the Bohemian Grove listing you as my visiting guest. I fully realize that there are all sorts of uncertainties in your schedule and you can be sure that we will just take that as one of the basic facts of life. If last minute changes become necessary, we will make those changes.

So far as my plans are concerned, I will be in Washington, DC for meetings of the Board of Governors of the Federal Reserve and expect to get those meetings finished by noon on Friday, June 3rd. Assuming you can get yourself disentangled we would take off from National airport and fly directly to Santa Rosa airport where I will have a car waiting and if we meet our goal we will be in the Grove by dinner time. We will have Friday night, all day Saturday and Saturday night in the Grove and will be staying at my camp which is Tie Binders.

On Sunday, the 5th, we will probably leave the Grove fairly early in the day and we can meet any airplane schedule you select for yourself as far as returning to Washington or to go to whatever destination may be your next port of call. What we usually do is leave the Grove right after breakfast, and there is a non-stop plane to Dulles leaving San Francisco around 1:00 PM, as you no doubt know.

Let me know how things develop and we will just hope for the best in all respects.

Sincerely,

Alan
