What is "AMERICAN UNITY DAY"

American Unity Day began with one family back in April of 1980. It has grown now into over 1,000 families that are involved nationwide. It is a day for all Americans of all nationalities, all religions, and all colors to show their pride and patriotism for America! A day when "general apathy" and "too much negativeness" can be defeated!

American Unity Day is a day that we have the chance to put into practice what we preach and returning to the basic things which made this country great; "We the People", Unity, Fellowship, Brotherhood, Pride, Patriotism, respect for others, Freedom, Peace, Prayer, "One Nation Under God", to hope again, and to dream again. A "family reunion" for **all** American families.

American Unity Day is now a House Joint Resolution (#542) and could become a National Holiday that was caused of the people, for the people, and by the people!
