OF THE UNITED STATES OF AMERICA  
TO THE VATICAN

GENERAL DELIVERY, APO NEW YORK 09794

June 14, 1982

Dear Mike:

The President's visit to the Vatican was a huge success. You were primarily responsible for the success of the visit and I want to congratulate you and thank you for making it possible. It was a momentous occasion for all of us who were involved, and I think, an important event for the whole world.

It was indeed gratifying to see the rapport that developed between the President and the Pope. Now that they have had the opportunity to meet in person the way has been opened for a personal understanding in future communications. With so many problems facing us in the world today, discussions from time to time between the President and His Holiness might prove quite useful.

Betty and I were delighted with the opportunity of having Carolene and Joan to our home for luncheon, however it would have been better had you been there too.

Betty joins me in sending best wishes and kindest regards to you and Carolene.

Sincerely,
