# FLAT-RATE INCOME TAXES

DO YOU FAVOR OR OPPOSE A FLAT-RATE INCOME TAX SYSTEM; THAT IS, A SYSTEM WHICH WOULD ELIMINATE ALL DEDUCTIONS AND TAX EVERYONE AT A SINGLE RATE -- SAY, 15 PERCENT?

DO YOU THINK YOU WOULD BE PAYING MORE ... PAYING LESS ... OR PAYING ABOUT THE SAME AMOUNT IN TAXES UNDER A FLAT-RATE SYSTEM?

"Now I'd like to read you the opinions of an imaginary Mr. Smith and Mr. Jones. Please tell me whether your own opinion of the subject is just like Smith ... more like Smith than Jones .. more like Jones than Smith ... or just like Jones.

Mr. Smith opposes a flat-rate income tax because he believes it only helps the rich. He says the rich should pay a larger portion of their income in taxes than the poor do.

Mr. Jones favors a flat-rate tax because it will be easier to administer and, by eliminating the deductions and the loopholes that only the rich can take advantage of, it will be fairer to all taxpayers."

Arms Sales to Taiwan

"As you may know, the United States currently sells military equipment to several foreign countries, including Taiwan. Some people believe that in order to improve relations with Mainland China, we should stop selling military equipment to Taiwan. Mr. Smith says the United States should send peace-keeping troops to the mideast to assist in the evacuation of the Palestinians because it will help bring peace and stability to that region of the world.

Mr. Jones says that the United States should not send any troops to the mideast because it will expose American soldiers to possible fighting and increase the possibility of a larger war in the mideast."

## Thermometer Ratings: Countries

=====

"Now I'd like to get your feelings toward some people and organizations in politics. I'm going to read you some names and I'd like you to rate each one on a scale from 0 to 100, where the worst possible person or group, in your judgment, would get a rating of 0, while the best possible person or group would get a rating of 100. Most people or organizations, of course, would be rated somewhere in between those extremes.

Remember, we just want to know your opinion of these people and institutions, with 0 being the worst possible rating and 100 being the best. If I name someone who you don't know too much about, just tell me and we'll go on to the next one.

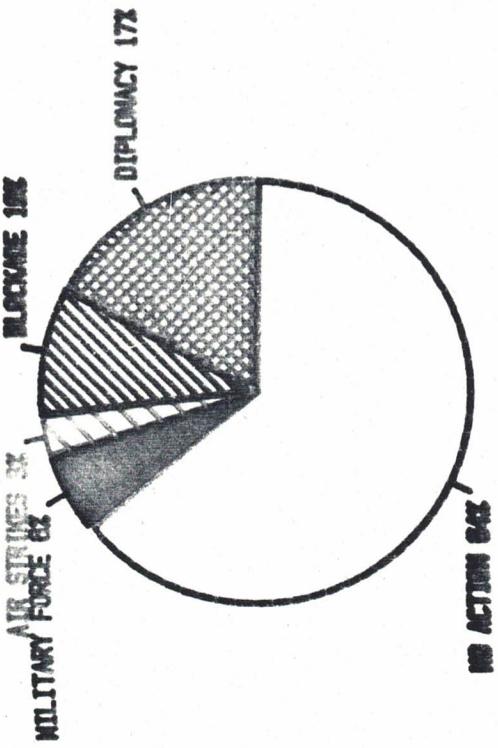

The first one is \_\_\_\_\_ -- how do you feel about it?

# IMPRESSION OF TV ADS

WITHIN THE LAST FEW WEEKS, HAVE YOU SEEN ANY TELEVISION ADVERTISING DONE BY THE NATIONAL POLITICAL PARTIES? THAT IS, COMMERCIALS DONE FOR THE NATIONAL PARTIES IN GENERAL, NOT FOR SPECIFIC CANDIDATES? (IF "YES": WERE YOU FAVORABLY OR UNFAVORABLY IMPRESSED WITH THE COMMERCIAL?)

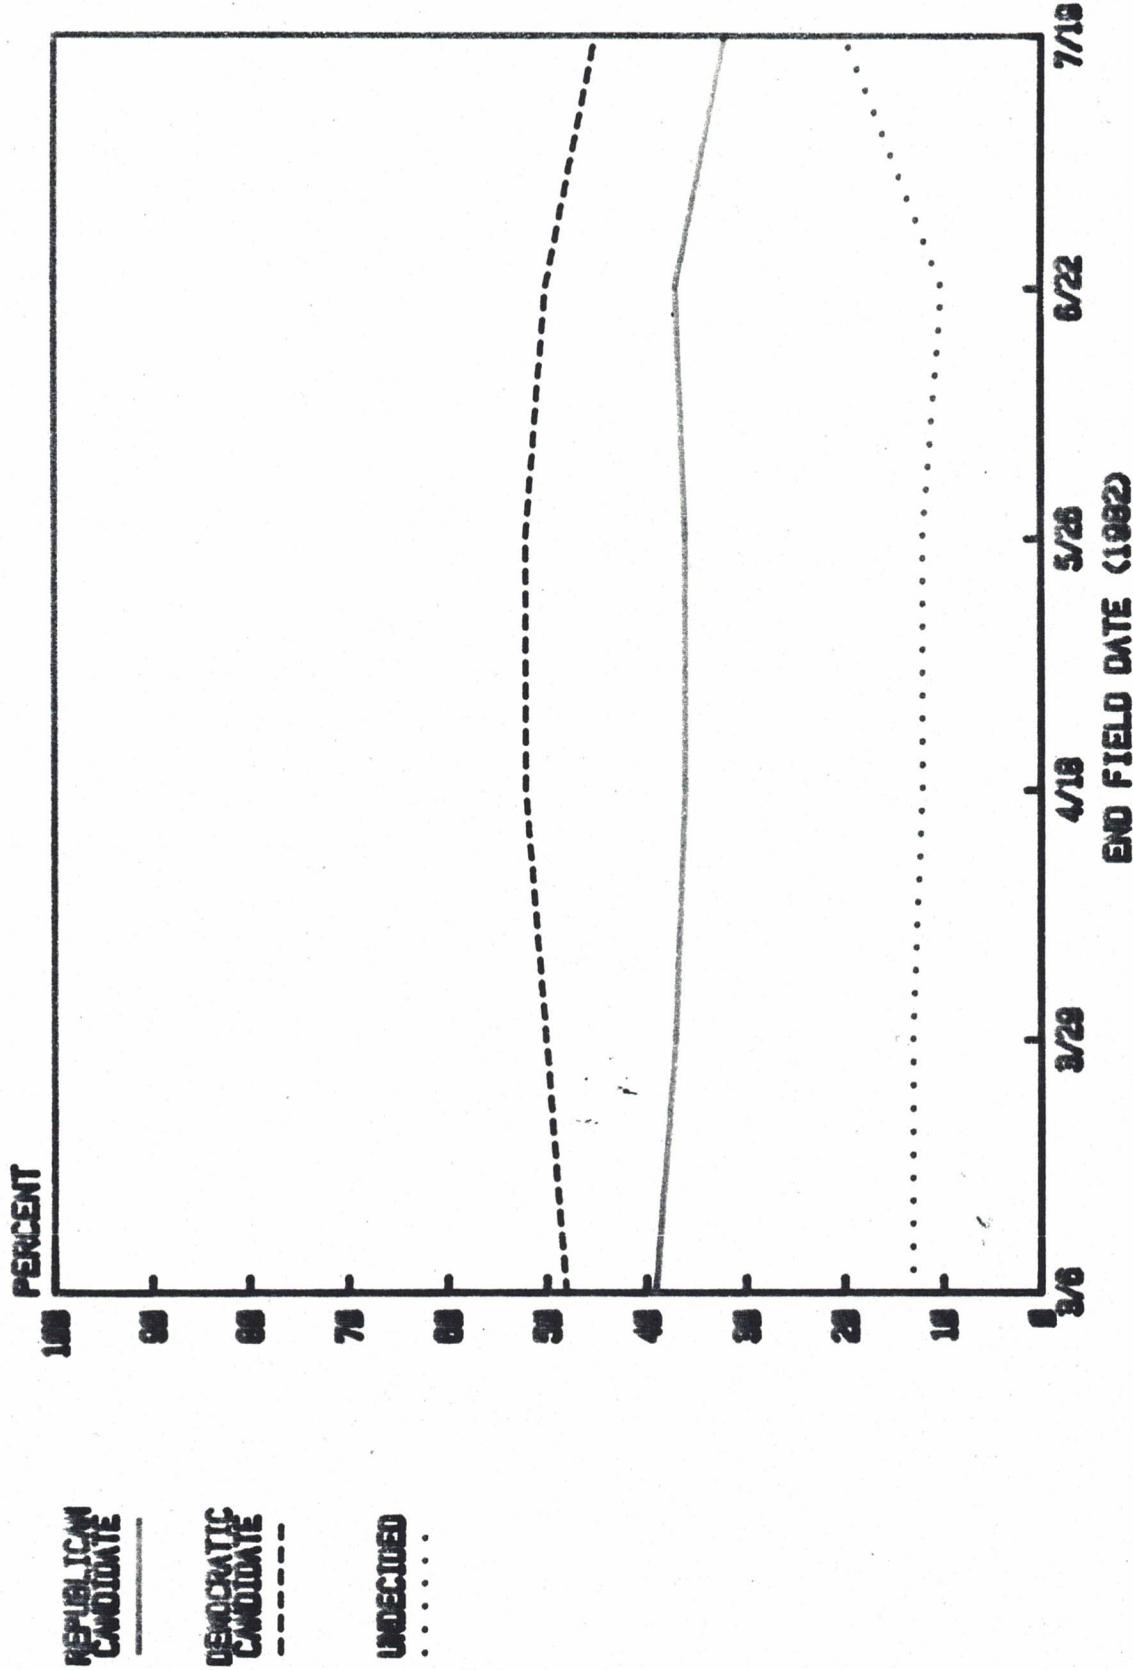

Do you recall seeing an advertisement featuring a postman? (If "yes": were you favorably or unfavorably impressed with that commercial?)
