Dear Michael:

It has come to my attention that the names I gave you when I was in Washington, D.C., recently with hopes that they could be included on the invitation list for the Inauguration apparently have not been added to the list. I would sincerely appreciate it if you would also send this to Bruce Nestande, as I have, and ask that they be included.

All of these people have been big contributors to Reagan-Bush and in the case of the Stauffers, Brett donated five months of free rent in a huge office for Victory '84.
