MEMORANDUM FOR: SUE DAOULAS
NATIONAL DRUG POLICY BOARD

FROM: TERRY GOOD *TG*
OFFICE OF RECORDS MANAGEMENT
THE WHITE HOUSE

RE: REQUEST FOR PRESIDENTIAL/FIRST LADY CONTACTS

Attached are printouts of Presidential contacts with organizations around the country that have been involved in combatting drug abuse. As you can see from the attached memorandum, Katherine Ladd approved your request.

If you have any questions about any of these cases, such as their address, or perhaps a fuller explanation of the case, please call me, William Roberts or Jan Vranich. We all are familiar with the request and could pull the actual case to answer any questions.

Deborah Balfour should be contacting/sending you the printouts for the First Lady's involvement with these types of organizations. There is twice the material in her package as you are receiving from me. Here again, if you have questions about any of these cases, contact us to receive more information.

Hope your brochure is a sell-out.

MEMORANDUM FOR: KATHRYN LADD
FROM: TERRY GOOD *TG*
RE: *Will drug enforcement* DRUG POLICY BOARD REQUEST

Recently, we received a request from Sue Daoulas, formerly with the Drug Abuse Policy Staff here, now with the Drug Policy Board. The DPB is planning to publish a brochure listing numerous PSI drug abuse projects around the country. Knowing that there is among ORM's file a large amount of documentation on many of these, Sue asked if DPB might have access to this information so that they could contact some of them to verify their activities, names and addresses, and then include them in the brochure listing.

Deborah Balfour is going to send Sue a printout of the First Lady's contacts with such groups.

May Sue also have the attached printouts reflecting Presidential involvement/contacts with such organizations?

Fine —

Kathryn Ladd 11/4/87
