Dear Bern, Mary and Family:

How can I ever thank you for providing me with such gorgeous paintings. The office looks much better and all the paintings have received favorable comments from people in the building.

Bill Stokes and I will get together in the near future and try to iron out any problems that may occur with the contract.

Mary, tell the kids hello for me and I hope they had a very delightful tour of the White House and the Washington area.

Unfortunately, I did not get Joan Gelle's address so I have enclosed a letter to her with this one. *Chay*

Come see us.

Sincerely,

Carlton E. Turner, Ph.D.
