Dear Dr. Turner:

Thank you again for taking time to see us during our February trip to Washington. The national drug abuse prevention effort you are spearheading is exceptional.

Subsequent to our meeting we have become involved in the development of "The Chemical People" project. We look forward to Alaska's involvement in this worthwhile endeavor.

If your schedule brings you to Alaska be sure to contact us. Consider our offer for a salmon fishing trip as an open invitation.

Respectfully,

Joshua C. Lewis
