Subject: Thoughts on U.S. Asian Policy

Per our conversation of the other night, here are my thoughts for a post-Sigur NSC program on Asia -- for your reading while in California. Gaston has read it and concurs in it.

As of this moment, I haven't finished Tabs A & B. I will either add these in the morning before you leave, or ship them out to you, but they are not vital to the memo, which can stand without them.
