TALKING POINTS

- Nancy and I appreciate this chance to follow up on our earlier conversation.
- We are particularly interested in your ideas on the growing influence of religion and Russian nationalism in the USSR.
- How do you think this trend will effect Soviet society and government policy over the coming years? What should our reaction be?
- Any pointers on how to deal with the Russian nationalist streak in Gorbachev (if there is one)?
- What sort of things should we stress in our exchange programs?
