SUBJECT: Soviet Advance

I just took a call from Evgenii Kutovoy of the Soviet embassy, who called last night but did not reach me. He called "informally", he said, to let me know that he will be in charge of summit mechanics for the embassy. He wants to maintain an informal contact directly with me or whomever in the White House is his counterpart (Marybel actually; I said we had designated such a person but did not name her). He told me that he and Dubinin met yesterday with Roz, and he will meet at 1500 today with Tom Simons to arrange for the arrival of the Soviet advance team (I wish Roz or Tom had seen fit to mention that to me). He said the advance team will arrive on 10 November; it will be made up of people from MFA Protocol and Security. He said it will not be headed by Bessmertnykh.

I asked him the questions we discussed this AM. He said they really have no hard answers, but "do not exclude" getting them "any day". I'll bet we don't get them until the advance team arrives. They don't know ETA and ETD on the 7th and 9th. They "assume" but do not know that Raisa is coming. They are working on the assumption that the Soviet side will host a "dinner of some kind", mindful that the number of evenings will be few. They, like we, assume a signing/ceremonial event in the afternoon of 8 December.

a signing/ceremonial event in the afternoon of 8 December.

I recommend that Marybel or someone from the SPG team qualified to interact attend the 1500 over at State, and that henceforth, the SPG apparatus has a guaranteed invitation to any such meetings, attendance discretionary.
